## ORDER

On December 15, 2021, a joint DENR and PNP checkpoint was established at Brgy. Sta. Lourdes, Puerto Princesa City. During the said checkpoint, all vehicles were visually searched and the drivers and passengers were reminded and informed of the prohibition of transporting forest products without permits or necessary documents.

At around 9:30 in the evening, an Isuzu truck was spotted approaching the checkpoint, and one of the PNP personnel flagged down the said vehicle. The vehicle immediately slowed down and parked at the side of the road. The checkpoint personnel identified themselves and politely asked what the content of the truck is. The driver who identified himself as Mr. Dan Rabang said that his cargoes were copra. The police officer politely asked if they can conduct a visual search, and the driver agreed to it opening the door of the truck. Upon looking at the cargoes, they saw the furniture, door jamb, and panel door. The driver was asked if he was carrying legal documents to transport said forest products, and he answered the negative. Immediately the personnel declared that they will be confiscating the vehicle including the furniture, door jamb, and panel door for violation of Sec. 77 of PD 705.

The vehicle was brought to the CENR Office while the copra was released to its lawful owner. During the first hearing, the driver Mr. Dan Rabang said that the owner of the furniture was his friend Ms. Aileen Malanao, who told him to deliver the said furniture to her house in Puerto Princesa City. He was given two thousand pesos (P 2,000.00) as payment for its transport. According to him, Ms. Malanao said that it's okay to transport the said furniture since it is not for sale but for personal use which is also coming from their house in Roxas. It was loaded in Sitio Little Caramay, Roxas, Palawan which according to him he did not inform the owner that he will transport the said furniture.

According to the testimony of the owner of the truck Ms. Genna Adajar, Mr. Dan Rabang has been the driver of their truck for about 4 years already and she trusted him when it comes to the discretion in loading cargoes. However, they sometimes have communication difficulties due to lack of signal in their house. She did not expect that Mr. Rabang will load furniture since it has been her instruction not to load any illegal cargoes.

Mr. Rabang was amenable that it was his mistake since he did not ask permission to load the said furniture.

BGY. MAGARA,  
ROXAS, PALAWAN  
FEB. 06, 2022

Ako si Eng. Genna D. Adajar, 48 taong gulang may-asawa, Pilipino at nakatira sa Bgy. Magara, Roxas, Palawan. Ako ang may-ari ng JOGEN truck, isang pampasadang sasakyan, may plate no. CAM 8405 na minamaneho ni G. Dan A. Rabang. Nagulat ako ng malaman kong hinuli ng mga taga DENR-CENRO ng lungsod ng Puerto Princessa City ang aming sasakyan dahil umano nagkarga ito ng mga ipinagbabawal na mga produkto.

Ang aming truck ay pampasada at kahit kaiban ay hindi ko pinayagan na magkarga ng anumang illegal na mga produkto o masangkot sa illegal na gawain, karaniwan lang sa mga ikinakarga nito ang palay, bigas, kopra at mga paninda. Hindi ko alam at wala akong pahintulot na magkarga ng mga ipinagbabawal na mga produkto.

Hinihiling ko po sa inyong batihing tanggapan na sana ay hindi kami Sampahan ng kaso at sana ay payagan kaming makuha ang aming sasakyan dahil iyon lamang ang katatanging panghanapbuhay na aming inaasahan, lalo ngayong labis-labis ang pinsala na

amang natamo dahil sa bagyong Odette.  
Naubos at nasira ang aming mga pananim  
at mga hayop at mga puno ng niyog na  
isa rin sana sa aming mga inaasahang  
pinagkukunan ng hanapbuhay.

wala na po kaming ibang hanapbu-  
hay, ang aking asawa ay magsakit pa, ang  
aking dalawang anak ay nag-aaral pa sa  
kasalukuyan. Hindi na din ako makapag-  
trabaho dahil sa kalagayang pangkalusigan.  
Mahina ang aking resistensya at may mga  
nararamdaman din ako sa katawan.

Lubos ang aming pag-asa na sana  
ay didinggin ninyo ang aming pagsusumamo  
bilang tulong na din sa amin na sobrang nahi-  
hirapan sa kasalukuyan, hindi na namin alam  
kung paano kami babangon dahil sa tra-  
hedya na dulot ng bagyo at sa narara-  
nasang pandemiya.

Maraming Salamat po!

Lubos na gumagabang,

Badajar

## AFFIDAVIT OF UNDERTAKING

That, I, GENNA D. ADAJAR, of legal age, Filipino, married and a resident of Bgy. Magara, Roxas, Palawan, under oath depose and state the following:

That, I am the registered owner of an IZUSU Cargo Truck with C.R No. 342420002, O.R No. 2049141603, Plate no. CAM 8405, currently under the custody of the DENR CENRO, Puerto Princesa City, the same being one of the objects of an investigation pending before the said Office for allegedly transporting/carrying furniture made of prohibited wood species.

That, the said cargo vehicle was only used to transport essential commodities to and from Roxas, Palawan and Puerto Princesa City, before it was apprehended by the authorities on December 15, 2021, in Puerto Princesa City. There was never an intention to use the said truck to carry any prohibited forest products or any illegal items. My driver innocently accepted the cargo without any intention to deliberately violate the law, as we are fully aware of its legal consequences.

That, to the best of my knowledge, I, my driver and the said vehicle have neither been previously involved in any illegal activity nor charged or held criminally, or administratively liable for violation of any environmental or forestry laws;

That, I filed a Motion before the Office of the DENR (PENRO/CENRO) to temporarily release to me the said vehicle pending resolution of the case, the same was granted, provided, as a requirement, a bond of Php388,222.10 be posted.

That, I undertake that, aside from transporting essential commodities which the vehicle is actually intended for, it shall not be used to carry or transport any forest products illegally obtained either raw or derivatives.

That, I further undertake, to maintain and not to make any changes in the current color of the vehicle, as registered, unless, for valid or justifiable reason be lawfully required or compelled to do so. If, under such circumstance, be lawfully required or compelled to change the color, I undertake to formally inform in writing the Honorable CENRO Officer and PENRO Officer beforehand;

That, finally, I unconditionally undertake, to immediately surrender the said vehicle should I be required by the DENR or by the Court to bring the same, any time upon notice/order.

That, I am executing this Affidavit in order to attest to the veracity and truthfulness of the foregoing and to request the Honorable PENRO and CENRO to allow me to post the required bond and temporarily release the said vehicle to me pending trial of the case.

IN WITNESS WHEREOF, I have hereto affixed my signature this 06 day of September 2022 in Puerto Princesa City.

### SOLUTION:

Where:

$$AV = CMV \times \frac{CF1}{CF2}$$
 AV – Appraised Value  
 CMV – (Current Market Value of a comparable property advertised from internet website/google.com)  
 CF1 – Condition Factor of subject property  
 CF2 – Condition Factor of comparable property

Advertised Prices of similar brand and year model advertised from internet website.

2.) (Link: <https://www.carousell.ph> ISUZU ALUMINUM WING VAN TRUCK AWA-4857 Asset Code: 102-00222A Price: Php567,000.00) and

3.) (2006 ISUZU FORWARD ALUMINUM VAN TRUCK CAZ-3382 Engine: 4HK1 \*Running Condition Asset Code: 102-00159 Price: Php514,500.00).

**CF1 (Condition Factor) based on the Appraisal Manual Check List of Subject Conveyance:**

<u>Component</u>	<u>% Weight</u>	<u>CF</u>
Engine	23 72	= 0.1656
Body and Chassis	35 70	= 0.2450
Transmission	7 70	= 0.0490
Differential	5 70	= 0.0350
Others, tires and attachments	30 68	= 0.2040
<b>Total</b>		<b>= 0.6986</b>

**CF2 (Condition Factor) based on the Appraisal Manual Check List of Comparable Conveyance:**

<u>Component</u>	<u>% Weight</u>		<u>CF</u>
Engine	23	97	= 0.2231
Body and Chassis	35	97	= 0.3395
Transmission	7	95	= 0.0665
Differential	5	95	= 0.0475
Others, tires and attachments	30	95	= 0.2850
<b>Total</b>			<b>= 0.9616</b>

**Thus:**

$$AV = CMV (\text{Php}427,500.00 \times \frac{CF1 (0.6986)}{CF2 (0.9616)} = \text{Php}310,577.68$$
