This pertains to the report forwarded to this office regarding the above mention subject. Based on review of the provided evaluation report, the following area the observations that we are requesting for further clarifications and/or explanations:

- Some of the number represents the seedlings planted or validated has decimals value (ex. Under Calasaguen Shore Coconut Based Association Annex A Strip 1, Validated Planted is 414.61)
- Clarification on the source and/or basis of values indicated under the column of Number of seedlings planted under the contracted area in Table with title Summary of seedlings Planted, counted alive, Survival rate, Height and Diameter for the Contracted area
- Pages of the provided PDF report are incomplete (Cabangaan Samariniana Indigenous People Association and Sitio Abubakar Coconut Farmers Association)

In this regards, may we also request for the electronic copy of the report for clear and readable document and a raw file of geotagged photos during the conduct of validation for the attachment on the Certificate of Turn over and Acceptance of NGP project area as required for the release or forfeiture of Retention Payment.

For her consideration and approval of our request.
