WHEREAS, attention to RA No. 9322 has been stimulated when a potential investor manifested interest in operating an agro-industrial company in the municipality, initially targeting alienable and disposable (A & D) areas;

WHEREAS, to expedite the long pending issuance of the IRR and facilitate the judicious distribution of the 512.80 hectares to the rightful beneficiaries, the local government provided fund for the survey and establishment of boundaries thereof;

WHEREAS, having long completed the survey by the DENR in 2018, this local government has since then been waiting for the issuance of the IRR, and the eventual distribution/awarding of the subject area to its beneficiaries;
