MEMORANDUM

FOR : The Regional Executive Director
DENR, MIMAROPA

THRU : The ARD for Technical Services

FROM : The In-Charge, Office of the PENRO
Oriental Mindoro

SUBJECT : **SUBMISSION OF REPORT OF CENRO-ROXAS ON THE ASSESSMENT OF AKLIYANG CAVE LOCATED IN BARANGAY LISAP, BONGABONG MINDORO**

Submitted is the report of CENRO-Roxas on the assessment of Akliyang Cave. The said cave is located in Sitio Akliyang, Barangay Lisap, Bongabong, Oriental Mindoro.

Based on the results of the assessment, the team classified the cave as class II. The total length of the cave is 142.4 meter from its entrance up to the dead end. It has a total height of 52.9 meters and width of 36.5 meters. It is within the 5.5 hectares claimed or occupied by a certain Domingo Delos Santos though it is within timberland.

This Office concurs with the recommendation of the CENRO that the cave should be immediately protected from human disturbance due to presence of some vandalism and collection of guano inside the cave. Likewise, partnership with the LGUs and concerned residents should be done for the protection and conservation of the remaining forest resources in the area.
