MEMORANDUM

FOR : **ENGR. GLENN MARCELO C. NOBLE**
Regional Director, Mines and Geosciences Bureau
MIMAROPA Region

ATTN : **DR. EDWIN MOJARES**
Chief, Geosciences Services Division

FROM : **The OIC, Provincial Environment and
Natural Resources Officer**

SUBJECT : **REQUEST FOR CLEARANCE TO CONDUCT CAVING
ACTIVITIES IN RELATION TO THE AFTERSHOCKS OF
THE EARTHQUAKE INCIDENT LAST JULY 27, 2022**

In relation to the earthquake incident which occurred in the Northern Luzon last July 27, 2022, DENR-PENRO Marinduque had issued an advisory prohibiting cave entry as part of the safety protocols.

However, in view of the target activities under Management of Caves and Cave Resources such as cave assessment and classification, and inventory of caves, this Office would like to seek clearance if it is possible to resume the conduct of the undertakings. This is in consideration of the seismic events as observed by PHIVOLCS within the past month.

The clearance that will be issued by your Office on this matter will greatly help us to decide whether to continue with the activities or delay its implementation until safety advisories be issued.

For your information, consideration and instructions, if any.

"For and in the absence of the PENR Officer"

SIMEON R. DIAZ
LMO III

In-Charge, Office of the PENRO
