USEC PETER N. TIANGCO, Ph.D.
Administrator
National Mapping and Resources Information Authority
Lawton Ave., Bonifacio Global City
1634, Taguig City, Metro Manila

Dear Administrator Tiangco:

Greetings!

This pertains to the Bureau of Forestry Land Classification Map No. 789 which was approved on November 22, 1928 and serves as our reference in the verification of land classification status in the Province of Marinduque.

Please be informed that the said LC Map has a discrepancy on its geographical coordinates, thus, we encounter problem when conducting ground verification. But considering that it is the only approved LC Map to date, we do not have any option but to use it as the official reference.

In this regards, we would like to request for corrected/rectified LC Map of Marinduque in order to serve the public and provide accurate data and to avoid confusion in the verification of land status in the Province of Marinduque. This request is in accordance with DENR Administrative Order No. 2012-09 dated November 14, 2012 wherein the authority to sign and /or issue certification on land classification status and certified true copy or approved land classification map was delegated to the PENRO or CENRO Offices.

Thank you.

Respectfully yours,

IMELDA M. DIAZ
OIC-PENRO Officer
