Department of Environment and
Natural Resources
MIMAROPA Region

ATTENTION: ENFORCEMENT DIVISION

Gentlemen:

Pursuant to your letter dated April 20, 2022, please be informed that the letter of Judith M. Saneo has no basis.

We are the legitimate owner and occupant of an Ice plant residential property situated in Liminangcong, Taytay, Palawan. In fact, the request for investigation should be dismissed outright as there has been a pending case with the Regional Trial Court, Branch 51 of Puerto Princesa, Palawan.

Judith Saneo defaulted when asked to participate in the said case.

Judith Saneo disregards the legal processes and continuous to write government offices to insist on her claim.

This is a mockery of the legal procedure.

Please take caution in receiving unfounded claims from several individuals like Saneo who desire to take the law into their own hands without awaiting the results of Court proceedings.

Truly yours,

Antonio S. Chua
