This report is submitted pursuant to Department Administrative Order 97-32:

WHAT

This is the final report on the administrative adjudication of the thirty-three (33) pieces of lumber of Apitong species equivalent to six hundred sixty (660) board feet.

WHEN

The interception/recovery took place last November 17, 2020 and the corresponding report was submitted and received in the Office on November 20, 2020 (Annex A to A₁) plus the Tally sheet (Annex B) geo-tagged pictures (Annex C), and the Apprehension Receipt (Annex D to D₂).

WHERE

The forest products were recovered in Sitio Pantulan, Barangay Minapla, Taytay, Palawan and brought to Forest Product Monitoring Station (FPMS) I at Rotonda, Poblacion, Taytay, Palawan.

WHO

The so-called Apprehension Receipts bear no name of probable culprits. The operating enforcers were personnel from the Quick Response Team I/ Forest Product Monitoring Station (FPMS) I composed of Forest Ranger John Vincent G. Sanchez and his members, Forest Product Monitoring Station (FPMS) V composed by Forest Ranger Leo D. Tabernilla and members, Bantay Palawan Task Force and Barangay Officials of Minapla, Taytay, Palawan.

WHY

The subject items of forest products were taken and seized for failure by anybody to claim with valid documents despite invitation in public notice posted in three consecutive weeks.

HOW

The team received a call on November 17, 2020 at 9:00 in the morning from Bantay Palawan Task Force stating that they have apprehended Apitong lumber at So. Pantulan, Bgy. Minapla, Taytay, Palawan on November 14, 2022. On the same date, the team departed and immediately coordinated with the Barangay Official of Minapla. According to Bgy. Kagawad Jemel Madraso, Barangay Chairman Abner Lozano instructed him not to assist in the hauling of the lumber for unknown reason but the team persuaded him and guided them to the location of the lumber. The team saw the said lumber, apprehended and brought to the FPMS I.

Adjudication procedure

Seizure Order (Annex E to E₂) and Seizure Receipt (Annex F) were facilitated on December 1, 2020 in order to acquire jurisdiction over the intercepted items. The seized items have an estimated value of thirty-nine thousand six hundred (39,600.00) pesos. Public notices (Pabatid sa Publiko) were posted consecutively every week on December 2, 9 and 16, 2020 (Annexes G to G₂). The Certification of the Records Officer dated December 23, 2020 (Annex H) was then issued upon completion of the posting of Pabatid to the Public.

In the absence of claimant, the Hearing Officer opted to adjudicate the issue on the basis of the report submitted. This Office sent invitation to Forest Ranger John Vincent G. Sanchez et. al, Forester II Dennis Aldrin O. Velasco and Punong Barangay Abner G. Lozano of Barangay Minapla, Taytay, Palawan to a hearing on January 8, 2021 at 3:00 in the afternoon (Annex I to I₂).

The examination pushed through as evidenced by the Attendance Sheet (Annex J). The administrative hearing was facilitated by the Development Management Officer IV Mariano P. Lilang Jr since he was designated as Chief of the Enforcement and Monitoring Section (EMS) in concurrent capacity. The preliminaries then include background of the apprehension and attendance check while the IEC presentation was set aside since all of the attendees are law enforcers.

On the examination, *Forester Marasigan* directly asked if follow-up operation was conducted by the enforcement team after the incident. *Forest Ranger Sanchez* answered that they went directly to the Barangay hall to have a courtesy call; that the lumber is 40 pieces in nature and 7 pieces were missing and that the lumber have no claimant. *Forester Marasigan* then commented on the report stating that "*ayaw patulongin ni Kapitan*". *FR Sanchez* to *Marasigan* answered yes and relayed that the instruction of PB Lozano to the barangay official is "*wag kayong tutulong sa taga-DENR na maghakot ng kahoy*".

Forester Marasigan then turned to *PB Lozano* on clarifications regarding the matter. *PB Lozano* clarified that the Barangay Tanod asked him regarding their effort on hauling the lumber; that he being the Punong Barangay cannot forced his tanod to extend help since they will haul the lumber on evening and that according to the Bantay Palawan there is a workforce that will haul the lumber.

Forester Marasigan to *Apprehending Officer* questioned on how they got the lumber. *FR Sanchez* answered by means of renting a pumpboat and truck for land transportation.

HO then commented on the statement that "*pinigilan ni Kap na magtulong sa paghakot*": that it implies on wanting to extend help but hindered. *PB Lozano* replied that they (Barangay Tanod) were asking for payment in return for their help. *HO* then clarified on what exactly his (PB Lozano) statement. *PB Lozano* mentioned the name of Jonathan or June Nuñez who asked for payment in return of his service; that he (Nuñez) was already tired working all day and that he can't force his officials to work at night. *HO* then questioned if honorary was given to the Barangay Tanod and his actions towards the attitude of his official. *PB Lozano* answered that they (Barangay Tanod) only received 300.00 per month as an honorary; that they are appointed by the Bgy. Captain only and that other official worked at night. *HO* then relayed that 7 pieces of

lumber were missing because of refusal from the said barangay Tanod. *HO* even followed his inquiry on his (*PB Lozano*) knowledge on the source of the said lumber. *PB Lozano* explained that he had no knowledge about the lumber; that Bantay Palawan informed him about the lumber; that his Official accompanied the Bantay Palawan to the area but since the lumber were heavy, the team failed to transfer the lumber on the said night.

HO then turned to *FR Sanchez* asking on the proximity of the lumber to the barangay proper. *FR Sanchez* answered that it was quite far with no community while *PB Lozano* seconded having only 2 houses on the area and who just paid visit only for their carabao. *HO* then concluded to have no responsible claimant over the lumber hence declared the items as abandoned. *HO* and *Forester Marasigan* then asked for the assistance of the BLGU in combatting the illegal activities over the area.

The examination was then promptly concluded (Annex K to K₆).

Conclusion and recommendation

The items listed down in the Seizure Order and Seizure Receipt are deemed abandoned and the items seized are hereby recommended for the issuance of Order of Forfeiture.

Hearing Officer: Magandang hapon sa ating lahat. Ito po ay pagdinig sa narecover na tabla na Apitong na may kabuuang 660 board feet, 33 piraso particular 2x6x20 so mahahaba ito. Nangyari ito sa So. Pantulan, Bgy. Minapla, Taytay, Palawan. Nangyari ito noong November 14, 2020 about 4:10 ng hapon at ang report po ay naisubmit noong November 28, 2020. Ang nagsubmit po ng report ay si FR John Vincent G. Sanchez na nag-enumerate ng ilang nating nga Forest Officers na sina FR Leo Tabernilla, FR Michael Angelo Vasquez, FPO Richard Valones, Henemie Sabran Jr., Ariel Martinez, and Bantay Palawan representative Mr. Alan Lasala. Kasama rin po ang isang Barangay Kagawad si Hon. Jemel Madraso. Paano ito nangyari? Accordingly may information thru phone call about 9:00 in the morning of November 17, 2020 from the Bantay Palawan Task Force representative stating that they have apprehended the pieces Apitong lumber. Ibig sabihin nun nauna ng na-apprehend itong mga lumber ng Bantay Palawan at humingi na lang ng tulong dito para tuluyang makuha yung mga kahoy. So, yung mga kahoy na yun ay nadala sa FPMS I, ibig sabihin dyan lang sa estasyon sa Rotonda. Ang recommendation po ayon sa report is to file a complaint about the forest products kaya lang sa Apprehension Receipt wala tayong nakitang responsableng tao doon, it is noted to be abandoned kaya tayo nagpadala ng notice to the public. Nagpost tayo ng mga notice na ito para kung sino man po ang may-ari ng mga kahoy na yun ay pwedeng magopunta dito sa office at i-claim dala ang mga papeles. So, 3 beses po tayong nagpost, December 2, 9 and 16 and we already have the certification of the Records Officer na na-post na itong mga notice na ito. May I know from Ma'am Cañette kung meron bang nagrespond dito?

AAVI Dela Rosa: Wala po.

Hearing Officer: Wala? So far wala pong nag-angkin o wala hong nagpunta para angkinin ang mga kahoy na yun. Okay, nagpadala po tayo ng notice ng hearing nong December 23, 2020 setting this hearing today at napadalhan po natin sina FR John Vincent G. Sanchez at iba pa. Also we invited Forester Dennis Aldrin O. Velasco to be Examiner but for now he substituted by Forester Michael Marasigan for this schedule. Nagpadala din po tayo ng sulat sa ating kagalang-galang na Kapitan Hon. Abner A. Lozano ng Minapla. Kinaugalian po nating magpadala ng notice/ invitation sa mga Kapitan kasi nga po nangyari sa inyo yung problema so bilang paggalang sa pamunuan ng barangay, we are inviting you to this hearing. Salamat at andito ngayon si Kap. To start with, ako po si G. Mariano P. Lilang Jr., ang Hearing Officer nito, and I

am asking our Assisting clerk Ms. Cañette Dela Rosa to please call the roll in so far as the invitation is concern.

AAVI Dela Rosa: Good afternoon po sa ating lahat. Ito po ang attendance natin for today's hearing, andito po si FR Michael Angelo Vasquez, Punong Barangay Abner Lozano, FR John Vincent G. Sanchez at si Forester Michael Marasigan as Examiner in behalf po ni Forester Dennis Aldrin O. Velasco.

Hearing Officer: Okay, we are suspending the presentation of the IEC material natin kasi tayoyayo lang din dito at ang alam ko alam na rin ito ni Kapitan. Meron tayong prinepresent on video na parang IEC material about Forestry Laws. Yun lang enforcers naman tayo dito so sinususpend natin yan piniplay din natin yan kapag meron tayong naimbitahan na respondent sa insidente so wala naman, this case is abandoned. (Binanggit ang mga paalala o reminder sa pagdinig). Now I'm giving the time to Forester Marasigan para gumanap ng kanyang eksaminasyon.

For. Marasigan: Sa mga Apprehending Officers nung dumating kayo sa Alacalian, hindi ba kayo nagconduct ng investigasyon para malaman kung kanino ito o para may lumutang na pangalan kung kaninong mga kahoy na yun yung 35 pieces na Apitong.

FR Sanchez: Good morning po. Forest Ranger John Vincent G. Sanchez so pagdating po kasi namin sa Minapla sir may kasama na kami taga- Bantay Palawan dumiretso kami sa barangay kasi parang courtesy na din sa barangay na andun na kami, DENR at para humingi din ng assistance kasi wala na pong tao na inabutan ang Bantay-Palawan. Bale sir 40 piraso talaga yun yung nireport ng Bantay-Palawan.

Hearing Officer: 40?

Fr Sanchez: Opo pero nung time na dumating na kami nabawasan na sya ng 7, nanakawan ng 7 Tapos nung pumunta kami sa barangay para nga sana mag-courtesy kina kapitan wala daw sya doon so mga kagawad hihingi sana kami ng assistance so yung tanong nyo sir wala talagang tao.

For. Marasigan: Wala?

FR Sanchez: Opo, walang tao.

For. Marasigan: Wala kasi sang-ayon sa report nyo eh ayaw patulungin ni Kapitan Lozano yung kanyang

FR Sanchez: Yes sir yun ang sinabi ng kanyang mga kagawd sir pati yung mga tanod kasi ang instruction daw ni Kapitan sabi nyo daw Kap. wag kayong tutulong sa DENR sa maghakot ng kahoy. Yun daw ang instruction nyo kaya hindi sila sumama.

For. Marasigan: Para kay Kap. Lozano, ano po ang masasabi nyo sa aming Apprehending Officer

PB Lozano: Ganito kasi yan sir yung mga tanod ko eh nagrereklamo din sila minsan unang-una sabi nila Kap maghahakot po kami ng kahoy paano po yung pagod namin, paano po yung magiging bayad namin paano daw yung pagod nila sa madaling-salita. Sabi ko sa kanila, anong gagawin ko, alangan namang pipilitin ko ang mga tanod ko na hindi naman sila maghakot. Sabi ko sa kanila kung may ano naman dyan magrent na lang tayo ng kalabaw para yun na lang ang gawin nating maghila kasi hindi mapasok sa loob eh. Magrent na lang ng kalabaw kasi yung mga tanod lalo na paggabi na ayaw na nilang maghakot kasi gabi na rin so nagganun sila sa akin di kung ganun ako ng bahala dun sasabihin ko sa kanila na maghanap ng pambayad sa maghahakot so yun lang naman ang ano ko sa kanila. Ang sabi naman ng Bantay-Palawan sa akin may dala daw silang manpower so dumating sila ng gabi syempre yung mga tanod ko nagpahinga na din

"Annex K2"

yung iba galing sa trabaho sa araw so hindi ko din sila mapipilit mapwewersang magtrabaho kasi kawawa din eh.

For. Marasigan: Papaano nyo nakuha yung kahoy?

FR Sanchez: Bale sir ano humingi kami ng tulong sa isang kagawad _____ na mag-arkila na lang ng Bangka. Nung una ang sabi 2,000 natawaran namin nila FR Mike at FR Leo Tabernilla na 1,500 na lang kasi masyadong mahal kasi malapit lang naman eh. Dito yung Minapla, yung tandol dito na yung area bale hindi kasi makapasok yung truck by land kasi basakan kaya binangka na lang nagrent na lang, nagbayad na lang kami.

For. Marasigan: Binangka nyo papuntang?

FR Sanchez: Papunta doon sir sa truck pinabalik namin yung truck doon sa Minapla, tapos binangka kinuha yung mga kahoy 2 trip tapos dun na nakaabang na ang truck doon karga na lang tapos byahe na.

For. Marasigan: Sige sir wala na akong tanong.

Hearing Officer: Interesado lang ako sa report na accordingly pinigilan na sori kap, pinigilan ni Kapitan na magtulong yung mga tao. Actually kung tama ang pagkakareport yung mga kagawad aside from yung mga kagawad, kagawad ba sya o tanod?

PB Lozano: Kagawad Jemel Madraso.

Hearing Officer: Kagawad sya, sabi ni kagawad ayaw patulongin ni kapitan na maghakot so ang implication nun sa akin gutsong magtulong, ayaw patulongin.

PB Lozano: Hindi rin. Naga-ano lang naman sa akin sir kung gustong nilang magtulong eh nanghihingi ng pambayad sabi ko kung ganun lang din naman wag kayong magtulong eh wala naman akong pambigay sayo para itutulong ko sa inyo na magbuhat ng kahoy.

Hearing Officer: So can we charge those person na ayaw tumulong, naghahanap ng pambayad. Pwede ba nating kasi magiging liable sila doon naghahanap sila ng bayad eh public service ito. Kung pupunta tayo sa discussion na naghahanap sila ng bayad kasi kung bayad yan kung tutuusin sana serbisyo muna. Kung maghahanap man ng bayad pag-usapan after kasi kung ako trabaho yan in favor of the government actually yung trabahong ganyan wala namang sinasabing oras yan kapagka nakaano ay talagang kailangan nating mag-assist din. So, its up to the Barangay Captain kung kaya nyang i-justify yung kanyang sinasabi na naghahanap ng pambayad, nagtatanong ng humihingi ng bayad. May I ask the Barangay Captain kung ano talaga yung eksaktong sinabi nyo sa barangay tanod nyo?

PB Lozano: Hindi kasi sir yung mga tanod pag-araw nagtatrabaho sila, naghahanapbuhay ba ngayon sa gabi siguro pagod na din wala namang tanod na pumunta sa akin na nagsabing ganun ang sabi ko sa kanila di, ay pano yan Kap paano yung pagod din namin mabigat yung kahoy.

Hearing Officer: Sinong nasabi nyan?

PB Lozano: Yung tanod din.

Hearing Officer: Sinong tanod?

PB Lozano: Sino bang tanod na yun?

Hearing Officer: Pwede ba naming malaman kong sinong tanod na yun.

PB Lozano: Oo sige, sabihin ko sa inyo si Jun Nuñez.

Hearing Officer: Jun Nuñez. May I ask the Recording Officer to note that name Jun Nuñez. Anong kompletong pangalan nya sir?

PB Lozano: Jun Nuñez.

Hearing Officer: June lang?

For. Marasigan: Hindi ba Junior Kap?

PB Lozano: Hindi.

For. Marasigan: June lang talaga?

PB Lozano: Jonathan.

Hearing Officer: Jonathan, ganun pala ang kuwan nito bakit naging tanod ito?

PB Lozano: Hindi siguro sir sa pagod din siguro talaga sir syempre hanapbuhay araw-araw kung hindi magtrabaho wala ding makakain, ako naman hindi ko naman sila pinupwersa na magtrabaho.

Hearing Officer: May sweldo ba itong mga tanod na ito?

PB Lozano: Magkano lang sir ang isang buwan nila 300.00

Hearing Officer: Kaya nga tinanggap naman nila yun.

PB Lozano: Oo nga tinanggap naman nila.

Hearing Officer: May kontrata ba yun?

PB Lozano: Wala naman.

Hearing Officer: Wala?

PB Lozano: Anytime pwede ko naman silang palitan kumbaga ina-aappoint ko lang sila na Barangay Police.

Hearing Officer: Okay, since nung nagrason sya ng ganyan anong ginawa mo sa kanya?

PB Lozano: Hindi ko na din mapilit sir. Sabk ko wala tayong magagawa?

Hearing Officer: Hindi nyo ba sya kasi appointed nyo hindi nyo sya pina-explain, hindi nyo ni-reprimand.

PB Lozano: Ang sabi pagod daw sila anong gagawin ko wala ibang mga tanod doon nasa laot din. Wala din akong sila-sila lang naman ang madadali kong mga tao mga tanod yung iba nasa dagat hanapbuhay sa gabi.

Hearing Officer: Yun po nuh, hindi ko na din pahahabain yan actually yung refusal ng mga barangay tanod ay dumating sa puntong nawalan na tayo ng 7 pirasong kahoy so medyo liability yun. Now 40 kahoy yun eh hindi ba alam ng barangay kung saan kinuha itong mga kahoy na ito, saan ang source?

PB Lozano: Ako naman ang ano ko dyan hindi ko naman alam yan so may dumating na Bantay-Palawan sa akin, alas-dos ng hapon so andun ako sa bahay nagpapanday ako, may ginagawa ako doon sa Sitio ko dumating yan sila sa akin ang sabi naman sa akin Kap. Bantay-Palawan po kami may order po sa amin galing taas na meron pong kahoy sa Sitio nyo sa Pantulan, pwede ba kaming makahingi ng security? Sabi ko oo naman, wala namang problema. Yun basta yun daw _____ na nila so pinuntahan yun naabutan yung kahoy ganun?

Hearing Officer: Kasama ang tao nyo?

PB Lozano: Oo andun naabutan nila so nung gabi hindi namin maidala dahil sa bigat ng kahoy hindi din namin mailipat sa barangay dahil sa bigat ng kahoy. Kami naman kung kinabukasan o kung wala ng mga trabaho ang mga tanod pwede ko silang yayain eh kinabukasan pinuntahan kinuha eh may bawas na pala daw yun, yun ang sabi sa akin ng kagawad.

Hearing Officer: Sige, napuntahan nyo ba sir Vince yung area kung saan kinuha yung kahoy nuh, yung Sitio?

FR Sanchez: Yes sir.

Hearing Officer: Malayo ba ito sa barrio?

FR Sanchez: Malayo sir.

Hearing Officer: So walang mga bahay?

FR Sanchez: May bahay na katabi sir may bahay.

Hearing Officer: Doon sa area mismo?

FR Sanchez: Hindi yan sir sa area mismo ni

Hearing Officer: Ano ba to Sitio Pantalan?

PB Lozano: Pantulan.

Hearing Officer: Pantulan.

PB Lozano: Sunod lang naman yan sa barangay kung maglalakad ka sa aplaya siguro mga 3 kilometro.

Hearing Officer: Kung sa Sitio Pantulan, meron ding community doon?

FR Sanchez: Wala sir.

PB Lozano: Wala sir isang bahay lang dun, meron 2 sa taas yung sa basakan pero wala ring tao doon lagi.

FR Sanchez: Pero yung kalabaw andun

PB Lozano: Dinadayo-dayo lang nila pag magpakain ng hayop kasi pwede naman motorin may kalsada naman pwede naman dumaan sa aplaya.

Hearing Officer: Wala tayong nakuhang responsableng claimant dito so in this hearing I'll be declaring this forest product abandon subject for issuance of the forfeiture order, confiscation of the Regional Executive Director. All these things na nabanggit dito ay i-fo-forward natin sa Regional Office and what can the Examiner and Apprehending Officer suggest in so far as the

environmental violation is concern. Ano ang pwede nating gawin para maibsan naman ang area na yun na medyo malayo sa mata natin dyan, what can you suggest to the Barangay Local Government Unit.

For. Marasigan: Ako sir ang suggestion ko magtulungan na lang tayo Kap. para maibsan din ang illegal dyan sa

PB Lozano: Yun din nga ang problema ko dyan ang mga nag-iilegal dyan hindi mga taga-dyan eh binabyahe nila ng Cuyo eh yun ang mga kwento sa akin eh ako naman eh.

For. Marasigan: Cuyo?

PB Lozano: Oo binabyaheng Cuyo

For. Marasigan: Hindi ba yung Cuyo dito sa kabila?

PB Lozano: Oo pakabila.

Hearing Officer: So may nagkukuwento na binabyahe papuntang Cuyo?

PB Lozano: Oo may nagkukuwento rin. Ako naman ay gusto kong hulihin mamaya may mga armadong baril yan ang sabi nil ayun daw talaga ang hanapbuhay ng taong yun hindi ko naman kilala kung sinong taong yun hindi natin alam kung armado yun magsita ka dyan bigla kang paluin o barilin dyan eh alam mo naman ang mga pangyayari ngayon binabaril na ang mga, mahirap din.

For. Marasigan: Kaya nga po magtulungan na lang tayo, sa inyo information sa amin ang trabaho. Yun po.

PB Lozano: Kaya lang ang ano dyan sir halimbawa magtext kami wala agad responde so ganun sila kabilis kumuha ng kahoy hindi ko alam kung anong style nila pag may magsabi na Kap may kahoy dyan pupuntahan ko yan yung info bago binigay yung kahoy wala na anong pupuntahan ko doon, anong sisitahin ko dun kasi yung nakabahay doon tinatanong ko din sabi ko yung mga tao bang dumadaan dyan kilala mo? Sabi nya, hindi. Eh pupunta sa Dulo may dalang panghuli ng labuyo kung ano-ano lang tapos ganyan tapos lipat agad mabilis silang mag-ano. Mga dayo, mga hindi tumatagal dyan. Mga isla-isla dito sa.

Hearing Officer: Kung sinasabi nyong mabilis ang transaksyon katulad nito yung 40 piraso na ganyan kahaba 2x6x20 siguro kaya itong linisin by one day.

PB Lozano: Pwede siguro depende sa nagtatrabaho.

FR Sanchez: Hindi nya kaya sir.

Hearing Officer: Hindi nya kayang tistisin, ibig sabihin siguro sa isang araw pag may ganyang information sa isang araw tingin ko Kap kapag naisumbong sa iyo sa araw na inoperate eh kayang makabuo ng plano para sya ay mahuli or masukol man lang. Kung ang kinakabahan po natin ay may armas I guess syempre dapat lagi nating konokonsider na may armas yan ano. Hindi ko pupuwedeng isipin na walang arams so gagawa na lang tayo ng paraan kung paanong maging safe tayo kasi kung ganun lang din na kung iisipin natin na laging mahirap magsita baka may armas ay mauubos talaga ang resources nyo dyan pag ganun.

PB Lozano: Kaya nga sir minsan nung time na ano nakikipagcoordinate din ako sa mga taga-Bantay Palawan, naririnig ko andyan pa rin ang andar ng chainsaw eh. Nakikipagcoordinate din ako sa kanila para mapasadahan ba sila syempre sila ang nagbabato ng mga message sa inyo o kung sino ang contact nila.

PB Lozano: Yung alam ko yung may-ari nun si Clarence yung taga- nakapag-asawa doon eh.

FR Sanchez: 4x4 po yun eh piro fresh cut.

Hearing Officer: Okay, let's close this hearing before we discuss things para hindi masyadong mahaba ang ating minutes on this hearing nuh so in so far as this incident is concern yung 40 piraso, 30 pcs na Apitong lumber kung wala ng itatanong o sasabihin I'm declaring this hearing closed.
