August 8, 2022

MEMORANDUM

FOR : The Community Environment and Natural Resources Officer

THRU : Chief, Planning and Admin. Support Section

FROM : Information, Education & Communication (IEC) Unit

SUBJECT : **REPORT ON ATTENDED CAPABILITY BUILDING ON RUNNING COMMUNITY PROGRAM FOR BUILDING BACK BETTER, AND CONSULTATION/FOCUS GROUP DISCUSSIONS ON COMMUNITY LEADERS ON CLIMATE AND DISASTER RESILIENCY**

Please be informed that the undersigned with Engr. Alan L. Valle, Community Environment and Natural Resources Officer (CENRO) of this Office attended the Capability Building on Running Community Program for Building Back Better, and Consultation/Focus Group Discussions on Community Leaders on Climate and Disaster Resiliency from July 21-24, 2022 held in island of Coron, Palawan.

Joins the turnover ceremony via Zoom of new DENR Secretary

DENR Palawan led by PENRO Felizardo B. Cayatoc joined the turnover ceremony for DENR Secretary Ma. Antonia "Toni" Yulo-Loyzaga with DENR CENRO Coron staff led by CENRO Rodney Verian and Taytay, Palawan CENRO Alan L. Valle.

On June 21, 2022, For. Felizardo B. Cayatoc, Provincial Environment and Natural Resources Officer of PENRO Palawan, Engr. Alan L. Valle, CENRO of Taytay, For. Rodney Verian, CENRO of Coron, CENRO Coron staff, Information Officers Irene Mixdon and Rodel M. Dorado joined the turnover ceremony via Zoom of new DENR Chief, Secretary Ma. Antonia Yulo-Loyzaga at CENRO Coron Compound, Coron, Palawan.

Secretary Loyzaga emphasized the DENR's crucial role in the accounting of the country's natural resources, building resilient communities through risk-sensitive and balanced development of resources, and the need to combat climate change adaptation measures, among others. Here are the five points stressed by the new secretary:

1. Emphasize the crucial role of the agency in the accounting of natural resources of the country;
2. Build resilient communities;
3. Work with our cities, ensure social and inclusive development;

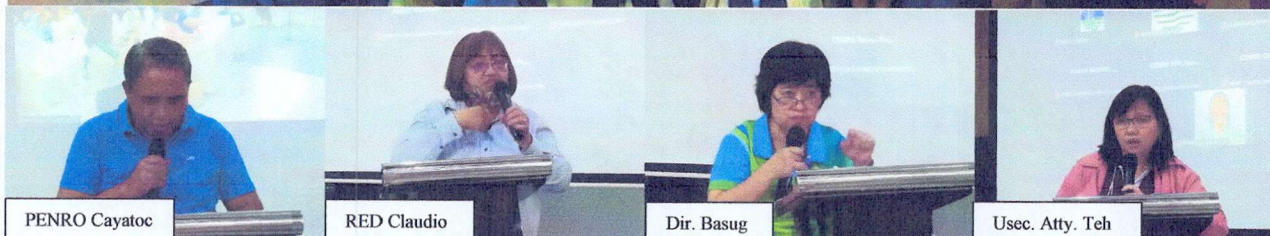

4. Combat climate emergency; and
5. Strive to protect indigenous species.

Staff Meeting with Director Elenida Basug, DENR Climate Change Service

Afternoon of July 21, 2022, DENR Climate Change Service Director Elenida Basug explained the flow of capacity building on running a community program for building back better attended by PENRO Cayatoc, CENRO Valle, CENRO Verian, DENR CCS staff and selected CENRO Coron staff. Information Officers Irene Mixdon of PENRO Palawan, Nikki Rapalda of CENRO Coron, Rodel Dorado of CENRO Taytay-El Nido also present.

Capacity building on running a community program for building back better

Task Force Build Back Better and the observance of the National Disaster Resilience Month, the DENR, led by Atty. Analiza Rebuelta-Teh, Undersecretary for Finance, Information Systems and Climate Change, and Director Elenida Basug of Climate Change Service, conducted a capacity building on running a community program for building back better held at Coron Soliel Garden Resort, Mabintangen Rd., Coron, Palawan. Selected community leaders coming from the local government units in Palawan, people's organizations, government agencies, teachers, barangay health workers, and the youth attended the consultation.

units in Palawan, people's organizations, government agencies, teachers, barangay health workers, and the youth attended the consultation.

Mangrove tree planting cum coastal clean-up at So. Balisungan, Barangay Tagumpay, Coron, Palawan. This event also attended by selected employees of Local Government Unit of Calocan.

After the consultation, a mangrove planting-cum-coastal clean up was conducted at So. Balisungan, Barangay Tagumpay, Coron, Palawan. Around 100 mangrove propagules were planted and 2 sacks of assorted coastal garbage were collected and gathered.

Mangrove forest serves as the first line defense from storm surges, waves and floods, breeding ground of different species and sequester carbon up to three times than terrestrial forests extremely valuable in the fight against climate change. It also potential revenue generation through sustainable tourism.

This initiative aims to help repair ecosystem and widen the network of forestry champions through promotions of proactive reforestation and responsible eco-tourism, a respond to the impacts of climate change that are already happening, as well as prepare for future impacts.

For records and information.
