**FROM :** ECOMS II/ Green Fins Focal

**SUBJECT :** **SUBMISSION OF REPORT ON THE CONDUCTED COASTAL  
CLEAN-UP ACTIVITY UNDER GREEN FINS  
IMPLEMENTATION**

In reference to the implementation of Green Fins Clean-up activity, the DENR CENRO Coron conducted a coastal clean-up on August 19, 2022 at the Reclamation Area in Brgy. Poblacion V, Coron, Palawan.

Said activity was actively participated by 91 individuals from the Calamianes Association Tourism Establishment (CATE) members; Tag Resort, Two Seasons, Sanho Resort, Fraternal Order of Eagles, Calamianes Divers Association Inc. (CDAI), Philippine Coast Guard (PCG), PNP Maritime, DENR- CENRO Coron personnel, BPRMO and Environmental Management Bureau (EMB).

A total of 48 sacks approximately 960 kilograms (gross weight) of garbage were collected in the area composed of plastics (pet bottles, cellophanes, styrofoam, nylon fishing lines, junkfoods and candy wrappers), used diapers, fabric wastes, glass bottles, excess boat materials presumably improperly disposed by the boat operators docking along the reclamation, and from establishments and households adjacent to the area.

On the other hand, the BLGU and LGU initiative program such as "Basura Palit School Supplies" and "Basuraffle" that both aims to address the arising problems on solid waste with the engagement of youth is noteworthy. Moreover, the collected garbage was hauled by the Barangay Tanod of Bgy. Poblacion V and Coron Solid Waste Management for proper disposal.

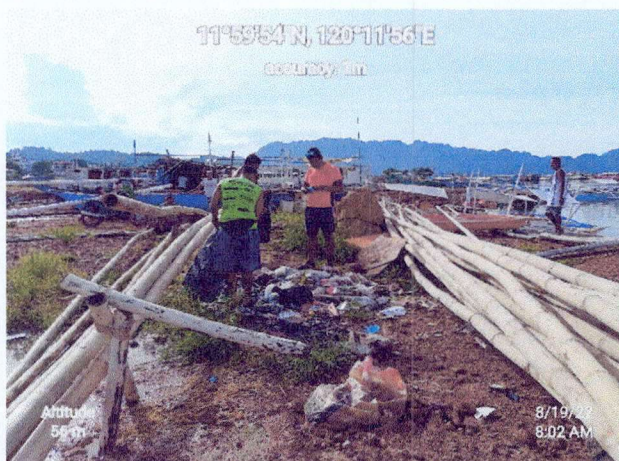

Relevant photos are attached.
