THRU: The OIC, Assistant Regional Director for
Technical Services

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **FOLLOW-UP LETTER RE: REQUEST FOR PERMIT TO
TRANSPORT ALMACIGA RESIN OF SASAMA AND SMBI IN
BROOKE'S POINT, PALAWAN**

Respectfully forwarding the follow-up letter dated August 28, 2022 by Samahan ng Magbabagtik sa Samariñana, Sologon at Malis (SASAMA) and Samahan ng Magbabagtik sa Imulnod (SMBI) represented by its President Mr. Edgar T. Payangcao regarding the request to transport almaciga resin gathered by IP's community in Brooke's Point, Palawan.

Prior to the receipt of our office of the said letter, this office forwarded the letter request jointly filed by groups of IP's (SASAMA & SMBI) through memorandum dated June 20, 2022 (*copy are here to attached*) requesting to transport almaciga resin gathered by the group of IP's specially during the time of pandemic (COVID 19) that greatly affect the livelihood and other jobs / works not only the group of the said IP's but almost of the entire population of the locality.

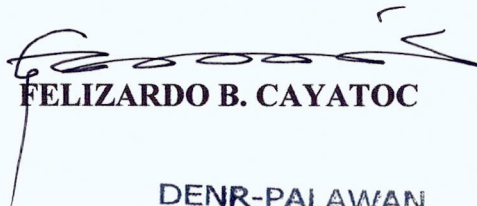

In line with this, our Office recommends for clemency and humanitarian consideration in favor of the group of IP's (SASAMA & SMBI) to grant the request while the renewal of their Ordinary Minor Forest Product (O.M.) license is under process to that office level.

For your consideration and further instruction.

Mahal na Director Claudio,

Isang makakalikasan at mapagpalang araw po sa inyo at sa inyong butihing tanggapan.

Kami po ang mga katutubo ng Brgy. Imulnod, Samarinana, Salogon at Brgy. Malis dito sa bayan ng Brooke's Point lalawigan ng Palawan na bumubuo sa samahan ng SASAMA at SMBI Asosasyon na nangangasiwa sa konsesyon ni Gng. Laura Edwards. Kami po ay muling humihingi ng tulong patungkol sa aming produkto na almaciga, kung maari po sana kami ay makikiusap na mabigyan ng Special Permit para aming maibyahe ang naturang produkto sa kadahilananang nakabinbin ang aming renewal of application sa inyong tanggapan dito sa DENR Brooke's Point, bagamat kami ay nakapagsumite na ng aming aplikasyon ay hindi pa naeendorso sa kadahilanan hinihintay pa daw ng inyong Cenro Office ang kulang na requirement namin na Certificate of PreCondition (CP). Kami po ay nakapagcomply at natapos naman po namin lahat ng proseso ng FPIC at nakapagbayad na rin po kami ng lahat ng bayarin. Kami po ay nakiusap dati pa kay CENRO Conrad Corpuz na kung baka ay pwede na kaming maendorso at to follows na lang ang aming Certificate of PreCondition (CP) tutal naman po ay nakalakip naman ang mga dokumento ng FPIC process namin at resibo ng aming mga binayaran, para ng sa ganun naman po ay gumagalaw ang aming application of renewal.

Ganun pa man, habang hinihintay po namin na lumambot ang puso ni Cenro Corpuz sa aming pakiusap na maiendorso ang aming aplikasyon. Kami po ay muling naglakas ng loob na sumulat sa inyong tanggapan upang makiusap na mabigyan ng Special Permit para makabyahe ang aming produkto, dahil tambak na po ito at humigit kumulang ay umabot na po ito sa 80 tonelada. Iyan lamang po ang hanapbuhay na inaasahan naming mga katutubong pamayanan, kaya hirap na hirap na po kami mahal na director. Maawa na po kayo sa amin dahil apektado na rin po aming mga programang pangkabuhayan at pang edukasyon. Dito po nakasalalay ang aming mga Panlima manipagtik at mga scholars kapos na po sila sa pang araw-araw na gastusan.
