The Regional Executive Director

The Chief of Surveys Division

DENR MIMAROPA

Sirs:

I am writing for and in behalf of the Heirs of Flora Mariano represented by Ana Luna Atilano, John Atilano and Peter Atilano of Manhac, Looc, Romblon and this has reference to their land including Lot No. 358 located at Manhac, Looc, Romblon.

My clients have learned that certain Amol Montaña representing Potenciana Mariano and Pantaleon Montaña caused the survey of the land they are claiming to be designated as Lot No. 359 and are planning to have it titled through your Honorable Office.

However, we have very reliable information that they included in the survey the land owned and actually in possession of my clients.

My clients who are boundary owners and occupants were not also notified of the said survey.

Hence, we hereby make it of record our strong opposition to the said survey, its approval and the processing of the application for patent of the said persons.

We will file the Formal Protest in due time.

For purposes of the conduct of ocular inspection and on site investigation as well as hearing in your office, kindly notify my clients as named above and undersigned counsel.

Thank you.

Very truly yours,

[Signature]
