Respectfully forwarding is the memorandum dated August 17, 2022 of Forest Technician I Lanie Jane A. Rey pertaining to the above subject.

Please be informed that on July 28, 2022, this Office's personnel together with the selected personnel of CENRO Taytay particularly those who are involved in the implementation of enhanced National Greening Program (eNGP) attended the Carbon Forest Program presentation of Ten Knots Philippines, Incorporated (TKPI) via zoom platform. The representatives from TKPI also attended the activity. The activity was requested by CENRO Taytay in line with the key program of the Department of Environment and Natural Resources (DENR) in the implementation of Enhanced National Greening Program (eNGP) aiming to provide opportunities for communities to develop social enterprises to produce sustainable livelihood and optimize benefits and encourage local government units, organize upland communities in the development of forest plantation including forest parks.

Mr. Kiko Velhagen of TKPI is the resource speaker of the activity. He shared their best practices on the implementation of Carbon Forest Program in Lio Estate, Barangay Villa Libertad, El Nido, Palawan such as regular tree planting activities, among others. He did not tackled the process of carbon sequestration, but he recommended to request for more technical presentation from their Carbon Forest Experts at the Center for Conservation Innovation Philippines, Inc. (CCIPH) and Carbon Cycle Institute (CCI).

This serves as our Means of Verification (MoV) on the conferences, meetings and other related activities attended under Top Level Management and Supervision.

For information and record.

C.N.: 2022-1600

This pertains to our target on the conferences, meetings and other related activities attended under Top Level Management and Supervision.

Please be informed that on July 28, 2022, the undersigned together with the selected personnel of CENRO Taytay particularly those who are involved in the implementation of enhanced National Greening Program (eNGP) attended the Carbon Forest Program presentation of Ten Knots Philippines, Incorporated (TKPI) via zoom platform. The representatives from TKPI also attended the activity. It was facilitated by Forest Technician I Rodel M. Dorado of CENRO Taytay. The activity was requested by CENRO Taytay in line with the key program of the Department of Environment and Natural Resources (DENR) in the implementation of Enhanced National Greening Program (eNGP) aiming to provide opportunities for communities to develop social enterprises to produce sustainable livelihood and optimize benefits and encourage local government units, organize upland communities in the development of forest plantation including forest parks. One of the projects being implemented under eNGP is the Mangrove and Beach Forest Development Project (MBFDP). Mangroves are among the target commodities planted and given prominence in the country's campaign to combat climate change.

Mr. Kiko Velhagen of TKPI is the resource speaker of the activity. He shared their best practices on the implementation of Carbon Forest Program in Lio Estate, Barangay Villa Libertad, El Nido, Palawan such as regular tree planting activities, among others. He did not tackled the process of carbon sequestration, but he recommended to request for more technical presentation from Carbon Cycle Institute (CCI). The activity ended with the awarding of certificate of appreciation to TKPI in grateful recognition for the valuable contribution through sharing best practices on the implementation of Carbon Forest Program at Lio Estate Tourism, Villa Libertad, El Nido, Palawan.

This serves as Means of Verification (MoV) on the target.
