The Ursula Island Game Refuge and bird Sanctuary (UIGRBS) is under the jurisdiction of this Office established by virtue of Administrative Order No. 14 dated April 30, 1960 under the Parks and Wildlife Services of the DENR and the Presidential Proclamation of same is on-process.

This office is planning to put up underground well as a source of fresh water using submersible pump powered by Solar Power System to cater the needs of the Forest Protection Officers, Blue Guard as well as the visitors during their stay in the island.

In this connection may we earnestly request your good office to conduct a Hydrologic Study / Assessment in the island to determine whether the said project is feasible in the area.

For your information, consideration and record.
