This is in connection to the memorandum by the Assistant Regional Director for Technical Services received by this office on June 14, 2022 pertaining to the status of accomplishment on Rapid Land Tenure Appraisal (RLTA) for CY 2022 and submission of justification and catch-up plan of CENRO Coron, Palawan.

Please be informed that the recently concluded May 2022 National and Local Election has affected the conduct of activities under RLTA. Most of the Officials of the Municipality of Busuanga are occupied on their own campaigns. However, this Office headed by the PENRO Chief of Technical Service had already conducted cascading of RLTA Activities in the Municipality of Busuanga on April 1, 2022 wherein they committed to assign a focal person for RLTA implementation. This Office also has submitted the draft Memorandum of Partnership Agreement to the Municipal Mayor for review. Initial Land Tenure Profile of Busuanga was also accomplished by this Office.

In compliance to the memorandum by the ARD-TS, respectfully submitted is the catch-up plan for the attainment of the targets.

For information, record, and approval.

RODNEY G. VERIAN
