Respectfully forwarded is the report of ENTMRPA PAMO Staff dated July 18, 2022 regarding the above subject.

The meeting highlighted the following issues, to wit;

1. Chaos during dispatch (last minute booking that cause delays on tourist);
2. Proper food handling;
3. Proper waste disposal;
4. Repetitive violations of Ordinance and Protocols; and,
5. Motorbanca oil discharge:

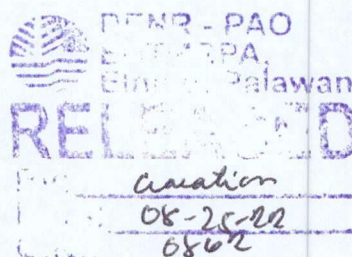

The member agreed to bring back online booking system and the booking will be until 11:00 PM to cater the last minute booking and "*pasahan*" of guest from other travel agency to another travel agency. Also, the El Nido Coast Guard informed the member that they will implement the cut-off for departure at exactly 10:00 AM to ensure that the tourist can make the most of their time in Island hopping. Moreover, the member agreed to designate an area for *bailing water out of a boat* and oil discharge to avoid the incident of oil spilled posted in the Facebook and it was refer to PAMO.

Be informed further that *bailing water out of a boat* and oil discharge was already included and discussed during the PAMB Conflict Resolution Committee meeting on July 29, 2022 at PAMO Conference room, DENR Building, Bgy. Masagana, El Nido, Palawan and agreed to draft a resolution to required all motorized boat to have oil waste disposal container and to coordinate to EMB for guidelines.

For information and record.

**SUBJECT :** **REPORT ON EL NIDO ISLAND MANAGEMENT AUTHORITY (ENIMA) MEETING ON JULY 12, 2022**

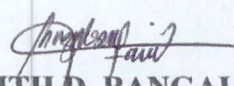

Relative to the notice of meeting of the Municipal Mayor and El Nido Island Management Authority (ENIMA) Chairman Honorable Edna Gacot-Lim regarding to the above subject. Please be informed that the undersigned represented the Protected Area Management Office (PAMO) to the said event at PAMO Conference Room, DENR Building, Bgy. Masagana, El Nido, Palawan. The meeting was initially presided by the representative from the Municipal Administrator Office and eventually turn-over to Hon. Edna G. Lim upon her arrival. Agendum is the Dispatch procedure during the Island hopping. The ENIMA Secretariat presented the flow chart during dispatch, issues encountered and the proposed solution. The presentation highlighted the following issues, to wit;

1. Chaos during dispatch (last minute booking that cause delays on tourist);
2. Proper food handling;
3. Proper waste disposal;
4. Repetitive violations of Ordinance and Protocols; and,
5. Motorbanca oil discharge:

The member agreed to bring back online booking system and the booking will be until 11:00 PM to cater the last minute booking and “*pasahan*” of guest from other travel agency to another travel agency. Also, the El Nido Coast Guard informed the member that they will implement the cut-off for departure at exactly 10:00 AM to ensure that the tourist can make the most of their time in Island hopping. Moreover, the member agreed to designate an area for *bailing water out of a boat* and oil discharge to avoid the incident of oil spilled posted in the Facebook and it was refer to PAMO. The undersigned informed the presiding chair that since the area is within the Protected Area, the Protected Area Management Board (PAMB) can decide where will be the designated area for *bailing water out of a boat* and oil discharge and to inform PASu Mildred A. Suza regarding the booking schedule for further review and decision. Be informed further that the member agreed to draft an Executive Order (E.O) pertaining to the booking schedule. With no other concerns the meeting was adjourned at 5:01 PM.

The undersigned recommends to refer in PAMB-Conflict Resolution Committee (CRC) the designation area for *bailing water out of a boat* and oil discharge for review and guidelines.

For information and further instruction.
