Section 14 of DAO No. 2004-59 and item No. 13 of the additional terms and condition of the permit were cited in the said letter, to quote “**The permit is non-renewable. Should there be a need for extended use of the forest land, a Forest land Use Agreement (FLAG) should be applied for provided that the holder has shown satisfactory performance based on the results of evaluation and has fully complied with the terms and condition of the permit**” unquote (copy of letter hereto attached).
