MEMORANDUM

FOR : The In-charge, PENRO
Oriental Mindoro

THRU : The Chief, Conservation and Development Section

FROM : The Coastal Extension Officer

SUBJECT : **SUBMISSION OF 3rd QUARTER CONSOLIDATED
ACCOMPLISHMENT REPORT ON COASTAL AND MARINE
ECOSYSTEMS MANAGEMENT PROGRAM (CMEMP), CY
2022**

This pertains to the target activities of PENRO Oriental Mindoro under CMEMP for CY 2022.

Please be informed that several activities have been accomplished by the Conservation and Development Section (CDS) for the third quarter of CY 2022. Some of the activities involved are:

1. Technical Assistance in the Integrated Coastal Management Plan formulation of municipality of Bulalacao.

The Technical Assistance was held on August 9-10, 2022 at Bulalacao. This activity was facilitated by this Office in collaboration with the Provincial Government of Oriental Mindoro thru the Provincial Agriculturist's Office and the Municipal LGU. The participants of the activity are composed of the Barangay Chairpersons of the municipality of Bulalacao, Members of Bantay-Dagat and Department Heads of the municipality of Bulalacao.

The two-day workshop discussed the objectives of the formulation for ICM, the rationale and analysis of Strengths, Weaknesses, Opportunities and Threats. The participants were grouped into two during workshop and presented their outputs after each topic.

The DENR-PENRO provided food, accommodation, and technical assistance in the formulation of the municipality's Integrated Coastal Management Plan.

Coordination with the Office of the Municipal Agriculturist of Bulalacao regarding the municipality's formulation of Integrated Coastal Management Plan with the PENRO Chief CDS and Planning Section Chief. Foresters Amor Asi and Corazon Pudiquet respectively together with Ms. Elowena of the LGU

2. Technical Assistance on Marine Protected Areas Network

Please be informed this Office is a regular member of the Oriental Mindoro MPA and Fisheries Law Enforcement Network (OMMPA-FLEN). Its task is to provide technical assistance related to coastal and marine resource management of each municipality.

The OMMPA Network conducts a quarterly regular meeting in which this Office, through the Conservation and Development Section (CDS) participates. Two (2) meetings have been conducted on June 28, 2022 at Vencio's Garden Hotel and Restaurant in Calapan City and September 24, 2022 at Parang Beach Resort, Parang, Calapan City, Oriental Mindoro, for the second and third quarter, respectively. The said network meeting was spearheaded by the Provincial Government of Oriental Mindoro – Agriculturist's Office Fisheries Management Division and the DENR. It was participated by regular members composed of all municipalities within the province through its Coastal Resource Management Coordinators, Municipal Agriculturists, Provincial Legal Office, and national agencies such as Bureau of Fisheries and Aquatic Resources, PNP-Maritime, Philippine Coast Guard and Department of Environment and Natural Resources Office thru the PENRO.

During meetings, network members provide update on the fishery and CRM Programs and Implementations and also the issues and concerns encountered within the quarter. Each municipality have presented their reports, and good feedbacks and results were raised. This office discussed previous and present activities related to the Coastal and Marine Resources Management within the province and the assistance provided to the MPAs.

This Office have also attended in the Provincial Bantay Dagat Operational Planning held on September 22, 2022. The Chief, CDS Forester Amor D. Asi participated in review/presentation of Executive Order 009-2009 "*An Executive Order Creating the Provincial Bantay Dagat Task Force, for Coastal Marine and Inland Waters Environmental Protection*" and provided comments and corrected some points in the EO as well as to the drafting of Provincial Bantay Dagat Operational Plan.

Based on the monitoring of activities included in the VIP MPAN and LEN Strategic Management Plan, most of the activities/programs in the thematic area are on-going while others were already implemented.

The regular attendance/participation of this office to the OMMPA – FLEN could track down the progress of the management strategies and activities for the VIP.

3. Samahan ng Bakauan ng Barangay Maidlang (SBBM) Biodiversity-Friendly Enterprise (BDFE) Project Monitoring

The Monitoring activities were conducted on September 16, 2022 at Barangay Maidlang, Calapan City. This activity was facilitated by Biodiversity Management Bureau with DENR-PENRO.

Prior to the conduct monitoring, the Sanguniang Barangay and SBBM was conducted a meeting on September 14, 2022 regarding the turnover ceremony of the new set of officials. Based on the meeting, the former President Mr. Labay expressed his support to Organization.

The PO reported that during the pandemic, no activities were conducted due to limitation in the movement of their members. Further, they expressed their willingness to strengthen their organization thru some capacity building that they will request to different agencies and offices

On September 16, 2022, this Office assisted the BMB personnel in the conduct of monitoring in the area. After some interviews with the members, the team came up with some observation and recommendations.

4. Celebration of International Coastal Clean-Up on September 18,2022

This is in pursuant to the Presidential Proclamation No. 470 that declares the third Sunday of September as the International Coastal Clean-Up (ICC) day. The activity was held in Sitio Villa Antonio, Brgy. Navotas, Calapan City on September 18,2022.

The activity was participated in by the PENRO personnel, DPWH, PNP Maritime, PNP Regional Office, CDRMO, City ENRO, Power One Corporation, Barangay LGU, and residents of Barangay Navotas. The participants were given an area to ensure that the activity will cover the whole area.

Based on the results of the activity, the participants collected 25 sacks of garbage weighing approximately 75 kilograms. Further, a total of 120 seedling of bitaog planted in the beach area.

This Office recommends activities such as continuous conduct of clean-up drive, strong coordination with the barangay LGU and City Government to sustain the campaign on clean and healthy environment.
