MEMORANDUM

FOR : The In-charge, PENRO
Oriental Mindoro

THRU : The Chief, Conservation and Development Section

FROM : The Coastal Extension Officer

SUBJECT : **SUBMISSION OF THIRD QUARTER REPORT ON THE
TECHNICAL ASSISTANCE ON THE FORMULATION OF
THE INTEGRATED COASTAL MANAGEMENT (ICM) PLAN
OF THE MUNICIPALITY OF BULALACAO, ORIENTAL
MINDORO**

The Conservation and Development Section (CDS) of this Office have attended and provided technical assistance on the conduct of the Integrated Coastal Management Planning Workshop on August 9-10 2022 at Southdrive Restaurant, Maujao, Bulalacao, Oriental Mindoro

Prior on the conduct of said activity, series of coordination was conducted with the Office of the Municipal Agriculturist in partnership with the Provincial Government of Oriental Mindoro thru the Provincial Agriculturist's Office – Fisheries Management Division. The participants of the workshop are composed of the Barangay Chairpersons of Bulalacao, Members of Bantay Dagat and Department Heads of the Municipal LGU.

The first part of the Workshop is the presentation of programs and projects of partner agencies and offices which focused on Coastal and Marine Resources. The workshop objectives and mechanics were discussed by Ms. Sheryl Montoya, a Resource Person from Biodiversity Corridor.

In addition, the Offices present in the workshop have reported and shared the plans/programs/activities regarding Coastal and Marine Resources being implemented in the area. Planning Officer I Jezreel John Matre of the DENR, discussed different projects of DENR in the Municipality of Bulalacao. He also presented some accomplished projects on the uplands and mangrove and beach rehabilitation in the coastal areas of the municipality. For. Amor Asi, Chief CD Section of the PENRO presented the results of the Protected Area Suitability of Suguicay Island which was completed in 2021. It was reported that Suguicay Island met the criteria to be recommended as a Protected Area. She added that the report of the Assessment was already submitted to the Regional Office and the Biodiversity Management Bureau for review and inclusion in the succeeding activities of the DENR.

MIMAROPA Region
Provincial Environment and Natural Resources Office

Further, Forester Amor discussed about the Integrated Coastal Management as a strategy to ensure the sustainable development and management of the coastal and marine environment and resources. Ms. Marilyn Alcanicces of the Provincial Government – Provincial Agriculturist Office also shared some of their activities on Coastal and how the municipality could come up with a comprehensive plan on ICM..

Moreover, a SWOT analysis was done thru a group workshop and each group was given time to identify and analyse the SWOT. After the workshop, all the groups presented their outputs and open forum was done to clarify some issues and concerns of the participants.

This Office also provided food and accommodation of the participants and Resource Persons aside from the technical assistance in the formulation of the municipality's ICM.
