In compliance with the provisions of DENR Administrative Order No. 97-32 (DAO 97-32), **Administrative Adjudication Hearings** relative to the above-cited subject were conducted by the undersigned hearing officer on **30 June 2022** and **12 August 2022** at DENR-CENRO Socorro, Barangay Pasi II, Socorro, Oriental Mindoro.

Version of the Apprehending Officers

On 27 May 2022 at around 3:30 in the morning, the apprehending officers while in the conduct of intelligence monitoring, caught the respondents in the act of transporting lumbers in different sizes by the use of three (3) carts being pulled by three (3) carabaos at Sitio 3, Barangay Sampaguita, Naujan. These were identified and marked initially as follows:

When asked if they have the necessary permits for the transportation of the said lumbers, the respondents answered in the negative. As a result thereof, they were arrested. The lumbers, carts, and carabaos involved were documented and marked in the presence of the barangay officials concerned. The respondents were brought to the police station while the apprehended forest products and conveyances were left in the temporary custody of barangay counselor, Hon. Marilyn C. Cielo. Immediate coordination with DENR – CENRO Socorro personnel was made thereafter.¹

1. Two (2) of the carts and corresponding carabaos belong to third persons, particularly, **Mr. Julius Caesar A. Dudas, Mr. Federico De Torres, and Mr. Victorino de Chavez**, who have **no knowledge** that such were used in the illegal transport of the lumbers; and
2. One (1) of the carts and corresponding carabao belong to **respondent Eliseo S. Asi**.⁵

To confirm the ownership of the conveyances used, Notices of Hearing or *Abiso ng Pagdinig* were sent to the identified individuals to which only the Mr. Victorino De Chavez's representative had attended. - II. Due to the extraordinary case at hand, i.e., the conveyances or carts involved are caught *in flagrante delicto* being pulled by carabaos which are living things with special needs, the latter were temporarily released to the owners or their representatives pending the final adjudication of the administrative case. RECOMMENDATION

Based on the foregoing, there is a violation of P.D. 705, as amended because the forest products or lumbers were gathered and transported without the required legal documents.

Section 77 in relation to Section 77-A of the said law provide that:

Any person who shall cut, gather, collect, removed timber or other forest products from any forest land, or timber from alienable or disposable public land, or from private land, without any authority, or possess timber or other forest products **without the legal documents** as required under existing forest laws and regulations, shall be punished with the penalties imposed under Articles 309 and 310 of the Revised Penal Code.

xxx

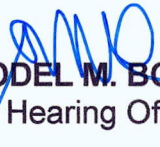

In all cases of violations of this Code or other forest laws, rules and regulations, the Department Head or his duly authorized representative, may order the confiscation of any forest products illegally cut, gathered, removed, or possessed or abandoned, and **all conveyances** used either by land, water or air in the commission of the offense and to dispose of the same in accordance with pertinent laws, regulations or policies on the matter.

Since two (2) of the conveyances involved are not owned by the respondents, there is a *presumption* that the owner thereof had full knowledge and willingly participated in the commission of the offense.⁹ However, this presumption was specifically controverted and successfully overcome by preponderance of evidence when the respondents and one of the owners denied knowledge of the commission of the prohibited act under oath.

WHEREFORE, it is respectfully recommended that:

1. Forty-nine (49) pieces of lauan lumbers with a total volume of five hundred forty-eight (548) board feet be **confiscated** in favor of the Government of the Philippines and such be disposed of in accordance with the existing laws and procedures;
2. One (1) cart and the corresponding carabao owned by respondent **Eliseo S. Asi** be **confiscated** in favor of the Government of the Philippines and such be disposed of in accordance with the existing laws and procedures; and
3. Two (2) carts and the corresponding carabaos owned by third persons who have no knowledge that these were used in the illegal transport of lumbers, be **returned** to their respective owners.

Respectfully submitted this 17th day of August 2022.

Hearing Officer

⁹ Section 7. 3(a), DENR Administrative Order No. 97-32 provides that in administrative proceedings conducted pursuant hereto, the following shall be considered **presumptions of fact and/or law and taken as part of the evidence unless specifically controverted and successfully overcome by a preponderance of evidence.** (a) All those apprehended on-site for direct or indirect participation in the commission of the offense(s) cited had full knowledge of and willingly participated therein; (b) The registered owner and/or operator/driver of a conveyance used in the commission of the offense had full knowledge and willingly participated therein by providing the conveyance for the illegal purpose to which said conveyance was applied. In case the registered owner of the conveyance is a partnership or corporation, the partners and/or officers thereof had full knowledge of and granted authorization or issued instructions for the use or application of the conveyance in the commission of the offense. (c) Any forest products included within Section 2(a) hereof were obtained from an illegal source.
