Respectfully forwarded are the memoranda of CENRO Puerto Princesa, Palawan dated June 21, 2022 and July 12, 2022 relative the above subject.

Per memoranda, the apprehension was made on December 15, 2021 around 9:42 P.M. in the established joint DENR and PNP checkpoint at Barangay Sta. Lourdes, Puerto Princesa City, Palawan. The team flagged down the Isuzu Forward Truck with Plate No. CAM 8405 and visually searched the cargo and saw the furniture, door jamb and panel door made of Ipil species. The team apprehended the vehicle and its load for transporting furniture finished products without pertinent legal documents in violation of Section 77 of PD 705, as amended. The apprehended items were brought to CENRO Puerto Princesa for safekeeping under the custody of Forest Ranger Neil James Verzosa.

The owner of apprehended vehicle is Ms. Genna D. Adajar and has an estimated fair market value of Php1,500,000.00 while the furniture products have fair market value of Php40,000.00. Further, the PENRO Appraisal Team recommended for the temporary release of the subject conveyance thru memorandum dated August 10, 2022 with the bond of Php388,222.10 pursuant to DAO 1997-32.

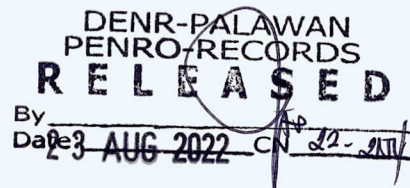

Notices of hearings were sent to both parties and the hearings were conducted on January 19, 2021, February 7, 2022 and April 27, 2022 in relation to Section 8, Item No. 3 of DAO 1997-32.

During the first hearing, the driver Mr. Dan A. Rabang said that the owner of furniture is a certain Ms. Aileen Malanao who told him to deliver the said furniture to her house in Puerto Princesa City with Php2,000.00 charged for its transport.

We concur with CENRO recommendation for the temporary release of the conveyance subject to the provisions of DENR Administrative Order 1997-32 and to file appropriate charges against Mr. Dan Rabang (Driver) and Ms. Aileen Malanao (Furniture Owner) before the City Prosecutor's Office.

KGG. NA GINOONG PENRO:

Una sa lahat ay bumabati ako ako ng magandang araw sa inyo.

Nais ko din pong pasalamatang ang inyong butihing tanggapan sa pagbibigay sa akin ng pagkakataong pansamantalang kunin ang aking truck ayon sa sulat na aking natanggap mula sa tanggapan ng Kagalang-galang na PEDRO DIAZ, CENRO ng Lungsod ng Puerto Princesa.

Gayunpaman, ay nagsusumamo pa po ako sa inyong butihing kalooban na sana ay madagdagan pa ang napakalaki ng tulong sa akin lalo na sa aking pamilya na ngayon ay lubhang nasasadlak sa matinding kahirapan dulot ng pandemiya, bagyong Odette at pagkaratay ng aking asawa sa sakit ng isa pang malaking tulong, hinihiling ko po san ana kung maaari ay mapatawan ng mababa-baba lamang na halaga na bond na kakayanin ng aming pamilya. Ang katotohanan ay manghihiram lamang po ako sa mga kaibigan para rito dahil sa kasalukuyan ay wala na po kaming pera dahil sa sunud-sunod na mga pangyayari, tumigil na nga po sap ag-aaral ang isa kung anak na dapat ay sa kolehiyo na.

Umaasa po ako at ang aking pamilya na sana ay mapagbigyan ang aming kahilingan. Kami po ay nangangako na susuklian ang pabor at tulong na ito ng inyong tanggapan at ng pamahalaan sa pamamagitan ng pagtataguyod sa mga programang pangkalikasan katulad ng tree planting at pagtataguyod at pagsunod sa mga batas pangkalikasan.

Pakisuyong tanggapin ang sulat na ito lakip ang aking Sworn Affidavit with Motion to Release and Undertaking.

Maraming Salamat po.

Out that certain Ailyn Malanao asked him to transport the above-said items. Unmindful that the items are made of prohibited species, and as Ailyn explained that it is her personal belongings and that they are not of commercial quantity nor it would be sold to another person, the driver transported the said items.

That, after the typhoon Odette, most of our livestock and coconut trees were destroyed, the truck subject of this case is now the only source of income our family can depend on.

My husband has been bedridden for couple of years due to severe illness, I am also sickly and cannot go for work anymore. I have two (2) children, the

other one is still in high school and the other one was forced to stop due to extreme financial condition.

WHEREFORE PREMISES COSIDERED, it is most respectfully prayed unto this Honorable Office that the said vehicle be temporarily released to me pending the resolution of the Honorable Office of the case.

Should a bond be required to have it temporarily released, it is further prayed for that the bond be reduced to the amount we can afford considering our current financial condition.

It will be of great help if the said vehicle will be released to us. We can use it to make a living to support our family's needs. It is our only hope so we can also send our sons to school again to continue their studies. It will also help us to have additional income so we can buy the medical needs which we badly needed at this point.

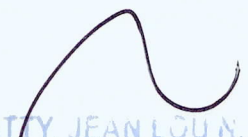

Should this Honorable Office grant this humble request, I undertake to surrender or to bring the said vehicle before this Honorable Office or to any government agency or before the Court, anytime, upon order.

IN WITNESS WHEREOF, I hereunto affixed my signature this 7th day of June 2022 at Puerto Princesa City.

SUBJECT : ADMINISTRATIVE ADJUDICATION OF ONE (1) UNIT IZUSU FORWARD TRUCK BEARING PLATE NUMBER CAM 405 LOADED WITH FURNITURE, DOOR JAMB, AND PANEL DOOR MADE OF IPIL SPECIE, DRIVEN BY MR. DAN RABANG, APPREHENDED AT BRGY. STA. LOURDES DURING THE JOINT CHECKPOINT WITH THE PNP.

Respectfully submitted is the summary of Administrative Adjudication of Izusu Forward Truck with Plate No. CAM 405 loaded with sala set, door jamb, and panel door made of ipil.

I. FACTS OF THE CASE

On December 15, 2021, a joint DENR and PNP checkpoint was established at Brgy. Sta. Lourdes, Puerto Princesa City. At around 9:30 in the evening, an Izusu truck was spotted approaching the checkpoint, and one of the PNP personnel flagged down the said vehicle. The police officer politely asked if they can conduct a visual search, and the driver agreed to it opening the door of the truck. Upon looking at the cargoes, they saw the furniture, door jamb, and panel door. The driver was asked if he was carrying legal documents to transport said forest products, and he answered the negative. Immediately the personnel declared that they will be confiscating the vehicle including the furniture, door jamb, and panel door for violation of Sec. 77 of PD 705.

The vehicle was brought to the CENR Office while the copra was released to its lawful owner. During the first hearing, the driver Mr. Dan Rabang said that the owner of the furniture was his friend Ms. Aileen Malanao, who told him to deliver the said furniture to her house in Puerto Princesa City. He was given two thousand pesos (P 2,000.00) as payment for its transport. It was loaded in Sitio Little Caramay, Roxas, Palawan which according to him he did not inform the owner that he will transport the said furniture.

According to the testimony of the owner of the truck Ms. Genna Adajar, Mr. Dan Rabang has been the driver of their truck for about 4 years already and she trusted him when it comes to the discretion in loading cargoes. She did not expect that Mr. Rabang will load furniture since it has been her instruction not to load any illegal cargoes.

Mr. Rabang was amenable that it was his mistake since he did not ask permission to load the said furniture.

II. NOTICE OF HEARING

Hearing	Date Released	Date of Hearing
1 st Hearing	January 13, 2022	January 19, 2022
2 nd Hearing	February 6, 2022	February 7, 2022
3 rd Hearing	April 7, 2022	April 27, 2022

III. EVALUATION

Based on the facts of the case and the submitted documents, it appeared that the driver erred in transporting ipil furniture without proper documents. It also appeared that the owner of the truck Ms. Genna Adajar has no knowledge about the transaction of her driver Mr. Dan Rabang. Based on DAO 97-32 Section 9. Temporary Release of Conveyance pending final disposition of the case is allowed provided that the requirements are satisfied.

IV. RECOMMENDATION

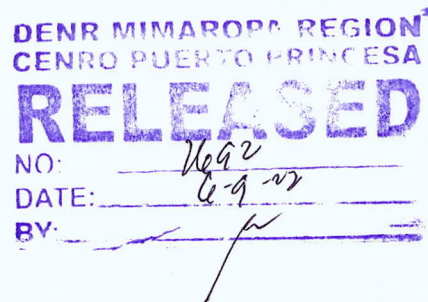

The undersigned recommends that the forest products be forfeited in favor of the government and the truck be temporarily released to the owner for she was not among those who were apprehended and did not give consent to haul the undocumented forest products.

While, Mr. Dan Rabang (driver) and Ms. Aileen Malanao (furniture owner) have been found to conspire with each other to transport said forest products, hence, a criminal complaint be filed against them for violation of Section 77 of PD 705 as revised.

MEMORANDUM

FOR : The OIC, Community Environment and Natural Resources Officer

FROM : The Chief MES and Hearing Officer

SUBJECT : **ADMINISTRATIVE ADJUDICATION OF ONE (1) UNIT ISUZU FORWARD TRUCK BEARING PLATE NUMBER CAM 405 LOADED WITH FURNITURE, DOOR JAMB, AND PANEL DOOR MADE OF IPIL SPECIE, DRIVEN BY MR. DAN RABANG, APPREHENDED AT BRGY. STA. LOURDES DURING THE JOINT CHECKPOINT WITH THE PNP.**

DATE: May 11, 2022

Respectfully submitted is the summary of Administrative Adjudication of Isuzu Forward Truck with Plate No. CAM 405 loaded with sala set, door jamb, and panel door made of ipil.

I. FACTS OF THE CASE

On December 15, 2021, a joint DENR and PNP checkpoint was established at Brgy. Sta. Lourdes, Puerto Princesa City. During the said checkpoint, all vehicles were visually searched and the drivers and passengers were reminded and informed of the prohibition of transporting forest products without permits or necessary documents.

At around 9:30 in the evening, an Isuzu truck was spotted approaching the checkpoint, and one of the PNP personnel flagged down the said vehicle. The vehicle immediately slowed down and parked at the side of the road. The checkpoint personnel identified themselves and politely asked what the content of the truck is. The driver who identified himself as Mr. Dan Rabang said that his cargoes were copra. The police officer politely asked if they can conduct a visual search, and the driver agreed to it opening the door of the truck. Upon looking at the cargoes, they saw the furniture, door jamb, and panel door. The driver was asked if he was carrying legal documents to transport said forest products, and he answered the negative. Immediately the personnel declared that they will be confiscating the vehicle including the furniture, door jamb, and panel door for violation of Sec. 77 of PD 705.

The vehicle was brought to the CENR Office while the copra was released to its lawful owner. During the first hearing, the driver Mr. Dan Rabang said that the owner of the furniture was his friend Ms. Aileen Malanao, who told him to deliver the said furniture to her house in Puerto Princesa City. He was given two thousand pesos (P 2,000.00) as payment for its transport. According to him, Ms. Malanao said that it's okay to transport the said furniture since it is not for sale but for personal use which is also coming from their house in Roxas. It was loaded in Sitio Little Caramay, Roxas, Palawan which according to him he did not inform the owner that he will transport the said furniture.

According to the testimony of the owner of the truck Ms. Genna Adajar, Mr. Dan Rabang has been the driver of their truck for about 4 years already and she trusted him when it comes to the discretion in loading cargoes. However, they sometimes have communication difficulties due to lack of signal in their house. She did not expect that mr. rabang will load furniture since it has been her instruction not to load any illegal cargoes.

Mr. Rabang was amenable that it was his mistake since he did not ask permission to load the said furniture.

II. NOTICE OF HEARING

Hearing	Date Released	Date of Hearing
1 st Hearing	January 13, 2021	January 19, 2021
2 nd Hearing	February 6, 2022	February 7, 2022
3 rd Hearing	April 7, 2022	April 27, 2022

III. EVALUATION

Based on the facts of the case and the submitted documents, it appeared that the driver erred in transporting ipil furniture without proper documents. It also appeared that the owner of the truck Ms. Genna Adajar has no knowledge about the transaction of her driver Mr. Dan Rabang. Based on DAO 97-32 Section 9. Temporary Release of Conveyance pending final disposition of the case is allowed provided that the requirements are satisfied.

IV. RECOMMENDATION

The undersigned recommends that the forest products be forfeited in favor of the government and the truck be temporarily released to the owner for she was not among those who were apprehended and did not give consent to haul the undocumented forest products.

While, Mr. Dan Rabang (driver) and Ms. Aileen Malanao (furniture owner) have been found to conspire with each other to transport said forest products, hence, a criminal complaint be filed against them for violation of Section 77 of PD 705 as revised.

ANNEX" I

BGY. MAGARA,
ROXAS, PALAWAN
FEB. 06, 2022

Ako si Eng. Genna D. Adajar, 48 taong gulang may-asawa, Pilipino at nakatira sa Bgy. Magara, Roxas, Palawan. Ako ang may-ari ng JOGEN Truck, isang pampasadang sasakyan, may plate no. CAM 8405 na minamaneho ni G. Dan A. Rabang. Nagulat ako ng malaman kong hinuli ng mga taga DENR-CENRO ng lungsod ng Puerto Princessa City ang aming sasakyan dahil umano nagkarga ito ng mga ipinagbabawal na mga produkto.

Ang aming truck ay pampasada at kahit kaiban ay hindi ko pinayagan na magkarga ng anumang illegal na mga produkto o masangkot sa illegal na gawain, karaniwan lang sa mga ikinakarga nito ang palay, bigas, kopra at mga paninda. Hindi ko alam at wala akong pahin- tulot na magkarga ng mga ipinagbabawal na mga produkto.

Hinihiling ko po sa inyong butihing tang- gapan na sana ay hindi kami Sampahan ng kaso at sana ay payagan kaming makuha ang aming sasakyan dahil iyon lamang ang katangi- tanging panghanapbuhay na aming inaasahan, lalo ngayong labis-labis ang pinsala na

aming natamo dahil sa bagyong Odette. Naubos at nasira ang aming mga pananim at mga hayop at mga puno ng niyog na isa rin sana sa aming mga inaasahang pinagkukunan ng hanapbuhay.

Wala na po kaming ibang hanapbuhay, ang aking asawa ay magsakit pa, ang aking dalawang anak ay nag-aaral pa sa kasalukuyan. Hindi na din ako makapagtrabaho dahil sa kalagayang pangkalusigan. Mahina ang aking resistensya at may mga nararamdaman din ako sa katawan.

Lubos ang aming pag-asa na sana ay didinggin ninyo ang aming pagsusumamo bilang tulong na din sa amin na sobrang nahihirapan sa kasalukuyan, hindi na namin alam kung pano kami babangon dahil sa trahedya na dulot ng bagyo at sa nararanasang pandemiya.

Maraming Salamat po!

Lubos na gumagaling,

Badajar

Ginoo:

Ako po si Aiken Malanog na naninirahan sa Barangay Magara Roxas, Palawan. Sumulat po ako sa inyong tanggapan patungkol sa kinumpiskang pampasidang sasakyan ni Gng. Gena Adajar na minamancha ni G. Dan Rabang dahil sa pagkarga nila ng aking sofa bed, hamba at door panel mula sa aming bahay sa Barangay Magara papuntang Barangay San Jose Puerto Princesa City kung saan mayroon din kaming bahay na tinutuluyan ng aking mga anak na nagsisipag-aral.

Nakikiusap po ako sa inyong tanggapan na sana ay hindi naman kami makasuhan dahil wala po kaming intensyon na lumabag sa batas. Ang pagkataalam ko ay wala namang problema na ilipat ko mula sa aming lugar papunta sa isang bahay ang mga nabanggit na mga gamit, dahil personal na kagamitan ito at hindi ko binili at hindi ko din ibebenta. Ang mga iyon po ay matagal ko nang pagmamayari, binigay sa akin ng aking tatay. Hindi po iyon mula sa fresh cut na kahoy mula sa gubat, inayos at pinaganda ganda nalang namin ng konti para magamukhang maayos at bago.

Ako po ay tiros pusong nakikiusap sa inyong
tanggapan na sana ay pahintulutan ding ibalik kay
Grg. Adajar ang kanyang sasakyan dahil wala siyang dila
at hindi rin ako kumuha ng pahintulot sa tanila ng
kanyang asawa na magkarga dahil direkta kong pinakiu-
sapan ang driver ng napadaan saamin dahil pampasada
naman ito at hindi ko naman naisip na baka may
problema ito sa batas dahil nga personal na pagaari ko ito
at hindi pambata. Napagalaman ko po na sa kasalukuyan na
may sakit ang mag-asawa at nawalan pa ngayon ng hanap-
buhay dahil sa aking pangarga sana ay mauuwan at
mabigyan kami ng konsiderasyon.

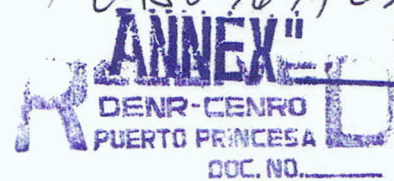

Umaasa po kami sa inyong kabutihang loob.

Lubos na gumagalang.
