SUBJECT : **REPORT ON THE PLANTATION SITES OF THE NATIONAL
GREENING PROGRAM VISITED BY DENR FIELD
OFFICERS FOR THE MONTH OF JULY 2022**

This pertains to the memorandum of the Regional Executive Director regarding the above mentioned subject in relation to the instruction of the Undersecretary for Policy and Planning dated October 25, 2018.

Please be informed that PENR Officer Felizardo B. Cayatoc together with the NGP Provincial Coordinator Angelica D. Verian through the assistance of NGP staff conducted site visit on the National Greening Program (NGP) plantations located in Barangays Poblacion and Abongan, Taytay, Palawan on July 8, 2022.

Based on the site visits, some trees on plantation with site code 15-175319-0295-0002 covering 2.0 hectares in Sitio Ibangle Bgy. Abongan, Taytay, Palawan was affected by the transmission line of National Power Corporation (NAPOCOR). The said affected trees were inventoried by this office and the said company committed to replace the affected trees as agreed by this office and the NGP contractor.

The low survival rate in the other sites visited are attributed to the lack of maintenance after the 3-year contract and partially damaged by the Typhoon Odette.

Attached are the profiles and matrix of the NGP sites visited.

For information and record.
