MEMORANDUM

FOR : The Regional Executive Director
MIMAROPA Region

FROM : The In-Charge, Office of the PENRO
Oriental Mindoro

SUBJECT : **UPLOADING AND UPDATING OF INFORMATION OF
TENURIAL INSTRUMENTS AND MANAGEMENT
ARRANGEMENTS IN THE ENHANCED FORESTY
INFORMATION SYSTEMS (E-FIS)**

Relative to the above subject, please be informed that the PENRO e-FIS focal person/creator accounts are undergoing maintenance such as deactivation of inactive accounts and replacement of approver and creator accounts, retaining only one (1) PENRO Creator account. This is because some of the creator account of PENRO personnel were already retired and designated to field office (CENRO).

Moreover, COS personnel to actually do the encoding of MDE forms submitted by CENROs is continuously updating/uploading data to the system even if it saves as draft until such time that the PENRO approver account is available.

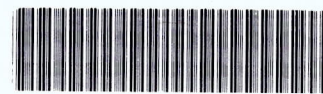

Currently, this Office were already encoded 211 Peoples Oriented Forest Information System (POFIS), three (3) Special Land Use Information System (SLUIS), and 201 Private Land Management Information System (PLMIS).

Please be informed further that this Office were already coordinated with FMB e-FIS Focal Person with regards to e-FIS accounts.

For information and further instructions.

This pertains to the uploading and updating of information of tenurial instruments/ management arrangements in the Enhanced Forestry Information System (e-FIS).

Based on the monitoring of e-FIS website, we observed the low number of uploaded tenure record and management arrangements for the provinces of Occidental Mindoro, Oriental Mindoro and Romblon in spite of having COS to actually do the encoding of all Manual Data Entries (MDE) forms submitted by CENROs.

In this regard, please populate in the system all tenurial instruments and management arrangement issued by your office. For those tenure record with draft and returned status please provide the lacking requirement/s specially the GIS generated map of the area and submit such for review of the appropriate office.

Further, for the aforementioned provinces with low number of uploaded information, please submit a CSW report on the matter within 7 days upon receipt hereof.

Attached is the summary of information available on the e-FIS per provincial office.

For information and compliance.
