DAYS NO.	

In line with the development of the Project Identification Form (PIF) for the **Integrated Seascape and Landscape Management for Biodiversity and Ecosystem Services and Climate Resilience in Small Islands in the Philippines (ISLAS PH)** Project for submission to the Global Environment Facility (GEF), we would like to invite you to an online stakeholder consultation on **December 20, 2023 at 9:00 am** onwards via Zoom.

The ISLAS PH Project aims to expand the biodiversity conservation estate and implement area-based^[1] integrated seascape/landscape management approaches, along the ridge-to-reef continuum within island mosaics to ensure sustainable biodiversity conservation and enhance climate resilience while providing for socioeconomic cultural, and ecosystem goods and services.

This stakeholder consultation intends to secure feedback on the indicative project design, project sites, and next steps. We look forward to your participation in this activity.

Below are the Zoom details for your reference.

Meeting ID: 818 0537 1944
Passcode: ISLASPH
