SUBJECT : **REPORT ON THE CONDUCT OF WORLD WATER DAY AND
INTERNATIONAL FORESTS DAY IN BARANGAY
DAYHAGAN, BONGABONG, ORIENTAL MINDORO ON
MARCH 24, 2023**

Submitted is the accomplishment report of CENRO Roxas on the conduct of World Water Day and International Forests Day in Barangay Dayhagan, Bongabong, Oriental Mindoro on March 24, 2023.

A total of 59 participants joined the said activity from CENRO Roxas, Barangay Officials and DSWD Cash for Work beneficiaries. A 250-meter shoreline clean-up collected a total of five (5) sacks of non-biodegradable wastes approximately 20 kilograms. It was turned-over to the Barangay Officials for proper disposal.

On the other hand, Mangrove Tree Planting was also conducted after the clean-up activity. About 1,000 propagules were planted in the area.

Attached are the CENRO report and geotagged photos for information and record.

MEMORANDUM

TO : The CENR Officer

THRU : Chief, Senior Ecosystem Management Specialist

FROM : IEC Officer

SUBJECT : **SUBMISSION OF REPORT ON THE CONDUCT OF WORLD WATER DAY AND INTERNATIONAL FORESTS DAY IN BRGY. DAYHAGAN, BONGABONG, ORIENTAL MINDORO ON MARCH 24, 2023**

The World Water Day 2023 campaign, called "*Be the change you want to see in the World*", encourages people to take action in their own lives to change the way they use, consume and manage water. United Nations Secretary-General António Guterres has his support for the campaign, saying, "The world is woefully off-course to achieve our goal of water & sanitation for all by 2030. Billions of people still don't have safe water & toilets. We can do something to accelerate change." As an individual or on behalf of an organization, we can take action today.

International Day of Forests 2023 will be celebrated on the theme, '*Healthy Forests for Healthy People*,' which calls for giving, not just taking, recognizing that healthy forests will bring healthy people. On each International Day of Forests, countries are encouraged to undertake local, national, and international efforts to organize activities involving forests and trees, such as tree planting campaigns.

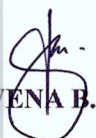

In line with this celebration, this Office conducted Coastal Clean-up and Mangrove Tree Planting in Brgy. Dayhagan, Bongabong, Oriental Mindoro. The barangay chosen is one of the coastal barangays in the Municipality of Bongabong. This Barangay has 40 hectares of Mangrove Forest with species of Bakauan-lalaki (*Rhizophora apiculata* Blume), Bakauan-babae (*Rhizophora mucronata* Lam), and Api-api (*Avicennia alba*).

Please be informed that the activity was participated with Brgy. Captain Rodrigo Fabregas Jr., CENRO Caesar E. Quebec. LMO-II Peterson F. Fabellon, DENR-CENRO personnel, Brgy. Officials, and beneficiaries of Cash for Work Program of DSWD. It was composed of 44 Males and 15 Females, a total of 59 participants.

The Clean-up lasted for about an hour in an approximately 250 meters shoreline stretch. A total of 5 sacks with an estimated weight of 20 kilograms of wastes/garbage such as plastics, food wrappers, old clothes, fishnets and other non-biodegradable wastes were collected. The collected wastes are turned-over to the barangay for proper disposal. The Mangrove Tree Planting on the other hand lasted for Two (2) hours. Around 1000 propagules were planted in the area.

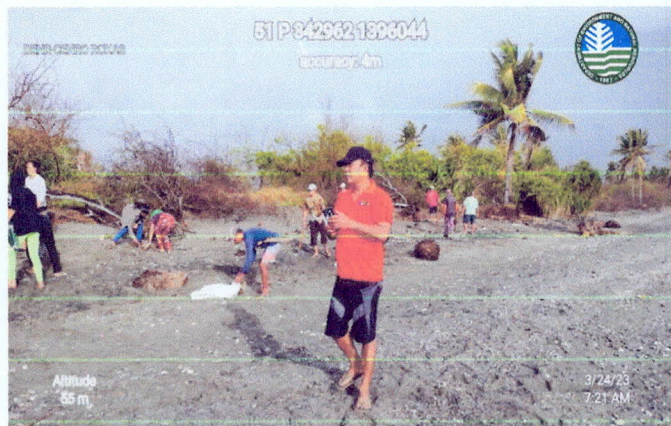

In conclusion, it was observed that the site is in need of attention to plant more Mangrove trees. Hence, continuous information campaign will be conducted with the coordination of barangay LGU for strict implementation of ordinances and imposition of penalties on violation to proper waste management shall be done.

Attached is the photo documentation of the said activity.
