MEMORANDUM

FOR : The CENR Officer

THRU : The Chief, Monitoring and Enforcement Section

FROM : Unit Chief, Compliance Monitoring of ENR Lease, Permits and Tenures holders

SUBJECT : **SUBMISSION OF THE FIRST (1ST) QUARTER MONITORING REPORT ON THE COMPLIANCE OF CERTIFICATE OF WILDLIFE REGISTRATION (CWR) HOLDER MR. MARK EDIZON G. MARTINEZ WITH FACILITY AT BRGY. ODIONG, ROXAS, ORIENTAL MINDORO**

Please be informed that the undersigned inspected and monitored the status of wildlife species/stocks owned by Mr. Mark Edizon G. Martinez with Certificate of Wildlife Registration (CWR) No. MIMAROPA –ORMIN -2019-01 and whose facility is located at Barangay Odiong, Roxas, Oriental Mindoro on February 22, 2023.

Upon inspection and monitoring, it was noted that there's a decreased in number of bird species due to rodents. Also, due to costly food and limited supply, the permittee decided to lessen or control their number by not pairing or mating the male and female birds per species. Signages/labels are hanged and attached per cage, bearing the name of all bird species inside the facility.

Attached are the geotagged photos during monitoring and the filled-out quarterly breeding report form.

For information and record.
