Notes

Patrolling includes preparatory activities such as coordinating with LGUs and other authorities, data syncing, preparing for responses

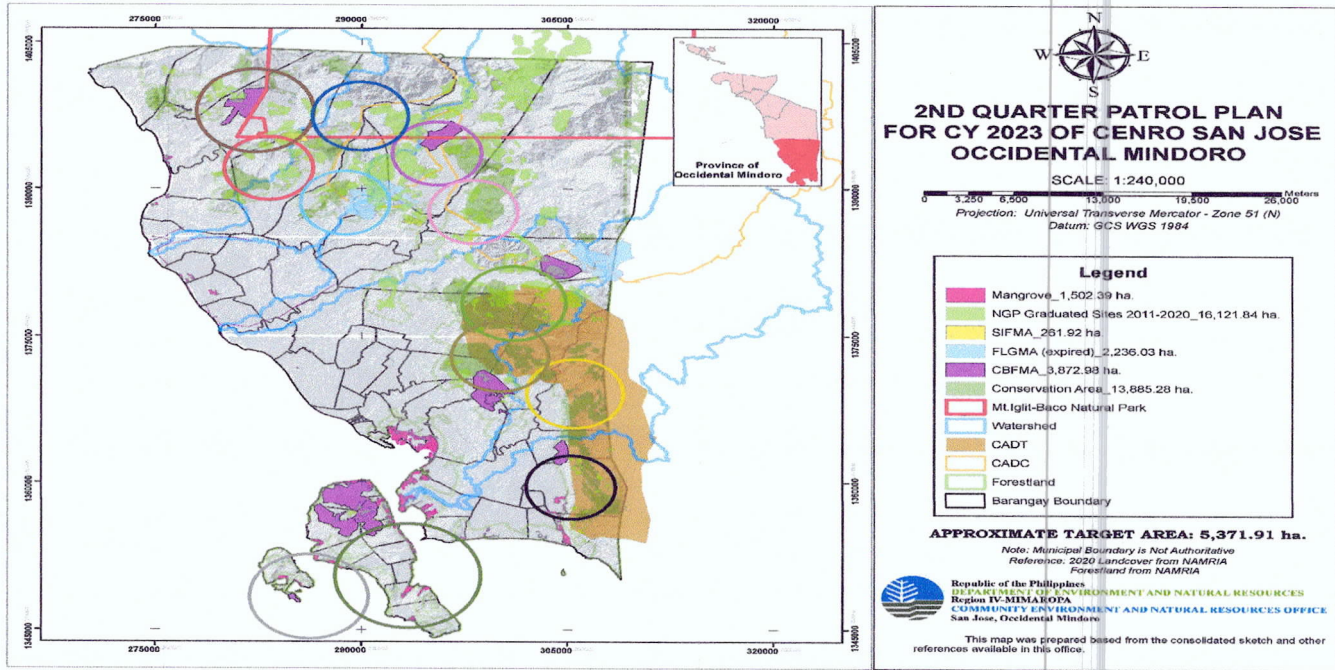

Consult map2 when doing this

Types of patrols: threats focused and indicator species-focused

If there are less than five teams, erase the extra number of teams in the matrix

Patrol map

Insert circles in the targeted patrol area for the entire planning period (quarter) for each team

Notes: Patrol Targets may vary due to situation and weather condition and insurgency in the area.

Indicate in the map the planned routes
