Dear **Engineer Pacanan**,

GREETINGS!

The Department of Environment and Natural Resources – MIMAROPA Region will be conducting a Roll-out of the River Basin Integrated Information Management System (RBIIMS). The activity aims to capacitate various stakeholders on the usage of a web-based application dedicated to establishing a comprehensive database for integrated river basin management. This database aims to address the issue of fragmented planning in river basins by building a common space where various sectors can exchange information and compare and share data in real time.

In this regard, we would like to invite two (2) representatives from your office to participate in the workshop and provide data on reclamation projects (if any) and infrastructure particularly for *flood control, flood mitigation, water impoundment, rainwater harvesting facility, hydropower generation facility, and irrigation*, within the Cluster 3 (Butas River, Mag-asawang Tubig, Malaylay-Baco, Pula River, and Pulang Tubig Watersheds in the provinces of Occidental and Oriental Mindoro). The event will be held from March 28 to 29, 2023 at Hotel Kimberly, Malate, Manila. Attached is the program of activities for your reference.

If you have any questions or queries, you may contact Marie Khrisna C. Cañete at mobile number 0966 133 6788 or through e-mail at [pfmscdd2016@gmail.com](mailto:pfmscdd2016@gmail.com)

We are looking forward to your positive response to our request.

Thank you very much.

Very truly yours,

DATE : **APR 05 2023**

This Office respectfully submits - the consolidated Template 03 or the Summarized Monthly Accomplishment Report of Forestry Extension Officers (FEOs), Database Management Officers (DMOs), Technical Staff, and Accounting Clerks.

This February CY 2023, the hired Forest Extension Officers (FEO) have monitored and technically assisted the contracted Families/Partner Organizations on plantation establishment, and maintenance and protection. The technical staff from the Regional Office and PENROs accomplished their duties and responsibilities in NGP activities such as monitoring, evaluating, and consolidating monthly and quarterly reports submitted by the respective CENROs.

The Database Management Officer assisted in organizing, maintaining and updating database of NGP, in document tracking, report formatting and storing, in IT related concerns and other related tasks.

Accounting Clerks from PENRO mainly accomplished updating the NGP Registry book, checking NGP payments and vouchers, and assisting in preparing financial reports and other documents required by the COA.

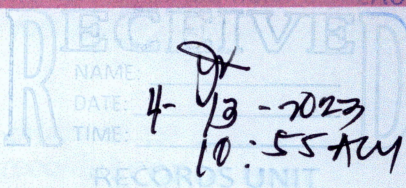

Attached herewith are the 2 compact discs containing the consolidated and evaluated report of PENRO, using the prescribed Template No. 03.

For information and record.
