HO to *FR Tabernilla* to have self-introduction and stated what transpired on July 7, 2022. *FR Tabernilla* introduced himself being Forest Ranger of this Office, legal age, married and resident of Poblacion, Taytay, Palawan; that on the said date and place, together with NISW West, he received an information from concerned citizen that there is an on-going clearing of mangroves in So. Miranleg on the property claimed by Mr. Ernesto Laddaran; that upon verification, they found out an actual clearing of mangrove area using backhoe and according to Mr. Laddaran, said backhoe is used to make a road going to his beach area and that they found fresh cut lumber in his resthouse.

HO inquired about the owner of the backhoe and *FR Tabernilla* replied that Mr. Laddaran owned the backhoe. *HO* then clarified if he (*FR Tabernilla*) was referring to Mr. Laddaran (setting in his front). *FR Tabernilla* answered “opo, opo”.

HO then turned to Mr. Laddaran asking about his comments. *Laddaran* introduced himself, a retired Philippine Army and a resident of Mabini, El Nido, Palawan from Cagayan Valley. *He* then (*Laddaran*) admitted that he owned the small backhoe for his personal road going to his constructed resthouse and that the area where backhoe was found by the team was donated to her wife by her late father. *He* clarified that the rest house found in the area was just a “*kubo*” with 6 posts and was intended for their dried fish business. *HO* pointed out that they should notify the proper authorities before making some activities in mangrove areas. *Laddaran* then asked for an apology stating he has no knowledge on the processes and he was just was just concerned about his security since 2 hold-ups incidents occurred in that place.

HO to *FR Tabernilla* on the approximate distance of Laddaran's kubo. *FT Tabernilla* replied that according to Mr. Laddaran, the area was already checked by an Inspection Team from this Office. *He* added that it is about 10 meters away from the seashore. *HO* then stated their area is within easement zone. *HO* turned to Laddaran and asked if he did admit his violation. *Laddaran* answered "yes" and reasoned out that he constructed his kubo for shelter purposes. *HO* then asked for apology and so Laddaran also. *Laddaran* also asked for understanding since he is quite old enough. Lastly, *HO* closed the administrative hearing that the final report will be submitted to the Regional Office for review and evaluation.

Hearing Officer: Alam mo ba kung sinong nagmamay-ari nitong backhoe?

FR Tabernilla: Ayun po kay Mr. Laddaran, pag-aari nya po yun.

Hearing Officer: Pag-aari nya?

FR Tabernilla: Opo.

Hearing Officer: Sya ba ang taong tinutukoy mo na si G. Laddaran?

FR Tabernilla: Opo, opo.

Hearing Officer: G. Laddaran, ano pong masasabi nyo sa sinabi ni FR Tabernilla?

Laddaran: Good afternoon. Ako po si Ernesto Laddaran, taga-Bgy. Mabini, El Nido, Palawan. Actually, ako Cagayan Valley, sundalo ako nakapangasawa ako

Hearing Officer: Saan po? Cagayan Valley?

Laddaran: Yes sir.

Hearing Officer: Saan po sa Cagayan Valley?

Laddaran: Enrile sir. Now, totoo po ang sinasabi nya na akin yung backhoe maliit lang na backhoe pampersonal, nakita nya naman po. Now ang perception ko doon is bilhin ko sana yung backhoe para ipaayos ko yung daanan ko ngayon ang reason sir, una yung 2 lupa na tangent sir magkatabi

Hearing Officer: 2 ano po?

Laddaran: Lupa sir, 2 lote, yung isa titled for example ito titled sir, ito lupa ko so dumaan dito yung dito dati yung daanan ng logging sir.

Hearing Officer: Sa titled property mo dumaan?

Laddaran: Yes sir pero hindi ko pa property nung time na yun sir its because nabili lang ng misis ko yan 1995 so dati andun yung area 70's pa lang daw according to them kasi sila naman ang taga-dun ay daanan agad ng _____ nakita nya naman, daanan ng logging nung araw its so happen na medyo kumipot na sya syempre sa tagal ng panahon unti-unti ng kumikipot dinadaan ng tubig yung gitna ng kalsada so lumalim na doon may gumanun na portion tapos meron na ding tumubo na kahoy at saka buho pero doon sir titled andito yung papel ng katunayan na akin yun secondly doon sa inabutan nila yung backhoe ko, dito sa lupa dito ano binigay ng papa nila sa misis ko yun kasi sa 10 silang magkakapatid sya lang ang nagbusiness ng dried fish so yung reason na dun binigay andito din ang katunayan na binigay sa amin andito yung deed of donation so yung lupa na yun inabutan nila ang backhoe ko nagagawa ng kalsada kasi sabi nila sa lahat ng anak ko ikaw lang ang nagbusiness sa isda so sa iyo ang baybay which is dati silang nagbahay doon sir, makita nyo naman yung mga niyog doon kahit saan mo tinggan ay lindero meaning itanim hindi wash out so ngayon binigay na nagpasalamat ako, binigay nya so reason una actually hindi bahay sir, ganito kalaki o mahaba pa ito, alam nyo yan maliit lang sya meaning pagtambayan ko ng customer kapag may bibili ng daing kasi hindi naman ako sir steady dito, pag nakabili ako ng daing for example pusit mga 7 kardon ayan 10, sundan ko sa Maynila kasi ano ko naman maliit na puhunan kailangang mabenta ko agad sa bodega then makuha ko agad balik dito bili uli ngayon kaya ayun binigay nila nagpatayo ako ng kubo, actually kubo kasi mas malaki ito alam nya yan. 6 na poste lang sir. Tungkol naman dun sa 2 beses ng nangyari to sir eh, ito totoo. Pwede nyong tinggan sa record ng pulis ito sa El Nido 2 times kaya nilinisan ko yun kasi diba gumanun na ang mga buho tsaka may mga branch na

ng kahoy 2 times ng may nangyari doon sir hinoldap, nung una si Gaspar pinatay pare-parehas ang style magtago sa kamarikutan after na dumaan yung tao hawak sa ulo dito pero si Toto nakaligtas yung pangalawa pero si Gaspar yung una patay that's why pinalinisan ko sya para sa security ko rin.

Hearing Officer: Maputol ko po. Kasi nga po kung ganyang mga pangyayari halimbawa lalo na po ang mangrove dapat aware po tayo na hindi po tayo dapat gagawa ng kung anuman ang gusto nating gawin na hindi nagpapaalam sa kinauukulan.

Laddaran: Sorry sir una humhingi na ako sa inyo ng pasensya na hindi ko alam though military ko pero hindi ko din kasi alam yung proseso basta ang alam ko ang security ko. Dati naman kasi syang kalsada nakita naman nya diba ngayon nilinis ko dahil sa 2 nangyaring yun pwede nyong ipagtanong sa Munisipyo ng El Nido. So, ayaw ko din na mangyari sa akin kasi meron din akong anak, meron din akong mga apo, naghahanapbuhay ako para sa kanila hindi lang naman sa akin, syempre 59 na ako ngayon hindi natin alam baka sa sunod wala na ako diba, wala naman nakaalam nun. Tungkol dun sa kahoy sir oo, inamin ko pero yun ay binili-bili ko lang din kaya makikita nyo iba-ibang klase. Ang magandang klase, alam mo dun yung haligi, lumber lang ang haligi ko alam nila, yung 3 dapat dun para sa kusina ko yung 2 para dun sa harapan ko so nung wala na na-confiscate nakita nyo naman na yung dapat lagyan ko ng kuwan hanggang ngayon hindi na nalagyan pero nilagyan ko na lang ng kawayan kasi dun ko inistop ang generator ko halimbawa may magbenta ng pusit ganun, dun sa baybay dun kami pailawin ko sya kasi nun dati may solar kami sir kaya lang ninanakaw eh so wala akong magawa nun kasi 3 times na ako ninanakawan ng solar eh, dinisregard ko yung solar kaya yun generator, maliit lang yung generator, horsepower lang halos ganito lang kalaki so yun lang ang andun at saka yung isang aso ko. Yung tungkol sa backhoe, ituloy ko sir kung okay lang sa inyo ang unang ginawa ko dun is bilhin ko kaya lang isip-isip ko kung bilhin ko sabi ko pagkatapos ko yung kalsada ko anuhin ko yung backhoe. Buti kung mayaman ako ilagay ko sa museo so yun ang isang dahilan ko sir na naggawa ako ng kalsada for security reason ko din, security conscious kasi ako pasensya na kayo. Secondly, dun sa kubo para merong masilungan ang maga-ano sa akin ng daing, maliban sa retired na ako sa sundalo sir meron din kasi akong nakukuhang pension

Hearing Officer: Meron kayong?

Laddaran: Pension sa sundalo sir, namimili kami ng dried fish so kung may sariwa sir na nabibili dun namin daingin dun na din namin ibilad kasi maganda yung araw it's because walang kahoy yung mga niyog lang kaya lang ang mga niyog namamatay na dahil kinakain ng mga bising sa dulo.

Hearing Officer: Ah sige po, FR Tabernilla pwede mo bang ilarawan sa amin ang kinatatayuan ng ano ng kanyang kubo? Malapit ba sa dagat o ilang metro sa dagat

FR Tabernilla: Actually po ang sabi po ni sir Laddaran napuntahan na daw po yun nina Maam Marian at Christian na parang nagconduct sila ng inspection doon ng easement medyo siguro mga nasa mula doon sa seashore mga nasa malapit lang din mga 10 ano?

Laddaran: Kung high tide sir pero kung low tide or something mga 150 or 250 meters pag high tide.

Hearing Officer: Ang pinag-uusapan po dito ay sa highest tide hindi po yung low tide. So may naviolate din sa easement kasi yun nga po kung ang property nyo ay private kailangan po 20 meters bago kayo magtayo ng structure. So, Mr. Laddaran pwede nyong sagutin o hindi ang aking katanungan, inamin nyo po ba ang kasalanan nyo?

Laddaran: Oo sir inamin ko kasi tama naman ang sinasabi nya, now ang reason ko lang sabi nga kung bakit nagpatayo ng kubo it's because kailangan ko nga para sa shelter ko rin kung mamili ako ng daing pati rin ang nagahanap sa akin ng daing, pangalawa kung magbilad ako sir ng daing meron akong masilungan, uminit man o umaraw.

Hearing Officer: Kaya nga po yun nga lang may naviolate kayong batas dapat po nagtanung-tanong kayo kung hindi nyo alam ang gagawin dapat po sa susunod ganun, magtanung-tanong kayo kung hindi nyo alam kung hindi kayo sigurado sa gagawin nyo.

(Off the Record)

Hearing Officer: Kung anuman ang kahihinatnan nito ay pasensya na rin po sa inyo.

Laddaran: Ganun din po ako sa inyo sir.

Hearing Officer: Sinusunod lang po namin ang batas.

Laddaran: Alam ko po yun, Gobyerno rin ako dati though nagretire na ako sorry sir singitan kita gaya nga ng sabi ko sa inyo kung nagkamali ako sana mapagbigyan nyo ako for the 1st time hindi na lang sa akin, sa mga anak ko na lang kasi paretire na ako sir sa buhay eh. Now, second is salamat kung maunawaan nyo ako at kung inunawa nyo ako, maraming-maraming salamat, kung mapagbigyan nyo ako maraming-maraming salamat.

Hearing Officer: Sige po, ito po ay gagawan ng report, ipapadala sa Regional Office tapos bahala na po sila kung anong sasabihin nila kung pa-filan kayo ng kaso wala kaming magagawa kung pa-filan kayo kung sasabihin nilang patawarin kayo salamat po.

Laddaran: Sana ganun nga sir, salamat

Hearing Officer: Sige po, tapos na tayo.

Off the Record.

Hearing ended at 2:27 in the afternoon.

I HEREBY CERTIFY THAT the statements above are true and correct to the best of my knowledge and belief.
