THE REGIONAL EXECUTIVE DIRECTOR
Department of Environment and Natural Resources
MIMAROPA Region

Thru: **ENGR. NERISSA MENDOZA**

The Hon. Director

Greetings!

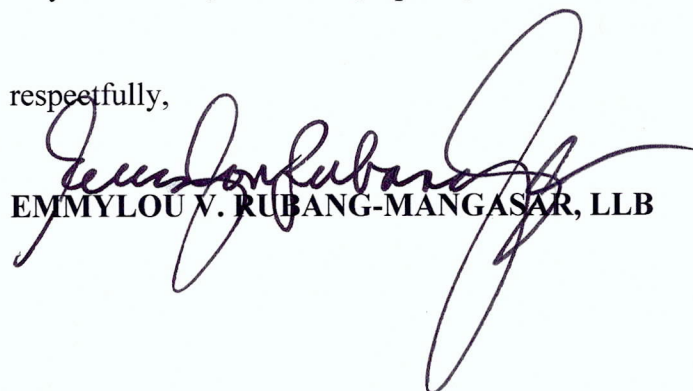

It has been two years now Sir/Ma'am since our request for verification and/or approval of the Cadastral Survey of Engr. Florendo P. Mangasar, Jr. in the Municipality of Socorro, Or. Mindoro was forwarded to the project verifier, Engr. Mary Dominique B. Lavadia. Attached herein is a copy of our letter dated October 2021. Late last year, I went to your office to follow it up but up to that day, Engr. Lavadia seems not to have submitted her report yet. It has been several months again after that so I wrote this missive again to follow up on the status of our request. The constituents of the Municipality of Socorro, through their Brgy. Captain has been following with us, too, the approval of the Cadastral survey since many of them would like to have their respective lands titled in their names. Hence, it is our utmost concern that the cadastral survey, which was started and completed in the summer of 2013 be approved soon as it has already taken its toll.

In this connection, Sir/Ma'am, I, in behalf of my husband, Engr. Florendo P. Mangasar, Jr., would like also to request now for the payment of the services rendered by Engr. Mangasar, Jr in conducting the cadastral survey.

Thank you very much Sir/Ma'am for your consideration and understanding. God bless and stay safe always.

City of Candon, Ilocos Sur, April 4, 2023.

respectfully,

EMMYLOU V. RUBANG-MANGASAR, LLB

HON. MARIA LOURDES G. FERRER, CESO III
Regional Executive Director
Department of Environment and Natural Resources
MIMAROPA Region
1515 L & S Bldg., Roxas Blvd. Ermita, Manila 1000

Hon. Ferrer:

Greetings!

It is almost a year now Ma'am since our request for verification and approval of the Cadastral Survey of Engr. Florendo P. Mangasar, Jr. in the Municipality of Socorro, Or. Mindoro was forwarded to the project verifier, Engr. Mary Dominique B. Lavadia. Since the accounting books are about to be closed again for this fiscal year, may we be informed Ma'am regarding any update. The survey has been conducted and done way back 2013 and the necessary documents have been submitted but the services of the contractor remains unpaid. He has advanced the salaries of his men who helped him physically conduct the survey yet his efforts remained unpaid.

It is for this reason Ma'am that we appeal to you for consideration especially in this time of the pandemic when projects are quite elusive and works done, if any, are quite expensive due to several restrictions and many health protocols being required from laborers. **May we then pray for the payment of services rendered by Engr. Florendo P. Mangasar, Jr. in the Municipality of Socorro, Or. Mindoro.**

Thank you very much Ma'am for your consideration and understanding. God bless and stay safe always.

City of Candon, Ilocos Sur, October 29, 2021.

Very respectfully,

EMMYLOU V. RUBANG-MANGASAR
