MEMORANDUM

FOR : The CENR Officer
Sablayan, Occidental Mindoro

FROM : The Monitoring Team
Sablayan, Occidental Mindoro

SUBJECT : **TRANSPORT MONITORING REPORT WITHIN THE JURISDICTION OF DENR-CENRO SABLAYAN FOR THE MONTH OF MARCH 2023**

Please be informed that the EMS-Monitoring Team conducted loading inspection of harvested lumber and transport monitoring of shipments with Certificate of Transport Agreement (CTA) within the jurisdiction of DENR-CENRO Sablayan, Occidental Mindoro.

Pursuant to Presidential Decree No. 705 as amended, governing the utilization and management of forest resources and Executive Order No. 192 Series of 1987 mandating the Department of Environment and Natural Resources (DENR) as primary government agency responsible for the conservation, management, development and proper use of the country's environment and natural resources, as well as the licensing and regulation of all natural resources as may be provided by law to ensure sustainable supply of wood and equitable sharing of the benefits derived from the forests for the welfare of the present and future generations.

Section 9 of DAO 2020-18 stated that the DENR through the Forest Management Bureau shall develop a monitoring, assessment and reporting system to be implemented by the DENR field offices.

All logs to be transported are required for inspection and monitoring from the lists of the various mode of transport used to convey saw-logs and pulp- logs from the plantation to the mills.

Upon checking/ inspection on our Forest Product Monitoring Stations the team makes sure that the transport/ shipment of forest products shall be accompanied or covered by necessary documents.

Any forest products being transported or shipped from the effectivity of this Order without corresponding Certificate of Origin Forms (COF) fully and properly accomplished as herein required shall be presumed as coming from illegal sources and as such, shall be subject to confiscation and disposition in accordance with Executive Order No. 277 and other applicable laws and implementing regulations.

Attached herewith is the tabulated summary of transported lumber and geotagged photos.
