Hon. Antonia Yulo Loyzaga
Secretary
Department of Environment and Natural Resources

Dear Secretary Loyzaga,

Greetings Peace!

I am writing to your office to request of the following documents:

1. Department's ORDER to stop the transportation of Altai Mining Corporation's EQUIPMENTS

From their illegal ports/ causeway to main office at Barangay Taclobo, San Fernando Sibuyan Romblon. Our organization opposed the said transportation in lieu of the ongoing investigation of your department. Altai claimed that they have to transport their equipments for security reason. The mining company have all the capacity to secure their equipments in any of their facilities because of companys deployed security personnel. Moreover, the said transport shall violate your Cease and Desist Order.

2. A brief status report of Altai mining application for construction of their causeway.
3. A brief status report of PENRO Romblon regarding the filing of case against Altai Mining Corp.

Thank you so much for your most positive response.

Sincerely,

Elizabeth R. Ibanez
