MEMORANDUM

FOR : The Regional Executive Director
MIMAROPA Region

THRU : The ARD for Technical Services

FROM : The OIC PENRO

SUBJECT : **REQUEST FOR THE LIST OF ARBORETUM
ESTABLISHED/MAINTAINED BY PROVINCES**

This pertains to the request of the Biodiversity Management Bureau (BMB) Director for the submission of the list of Arboretum established/maintained by provinces.

Based on record, this province has no established Arboretum under the regular funds. However, the PENRO, thru its initiative had established in CY 2015 a two - (2) hectare Arboretum within the 52-hectare Experimental Forest in Brgy. Bukal, Bongabong, Oriental Mindoro.

The said Arboretum was planted with 41 indigenous forest species and now continuously maintained and supervised by CENRO-Roxas.

For information and record.

Dear BMB-DENR Director and FMB-DENR Director

I wish to know updates on the development of Arboretum in each Province that was initiated during the time of Secretary Mon. Page. The development of Arboretum was conceptualized by the late Dr. Antonio Manila as per instruction from Sec Page. I assisted Dr. Manila on this. The concept was to have a living collection of trees native to the Province and region.

I will be very much amazed to see a well developed Arboretum in each Province, since this will be the legacy of the DENR field offices that will be treasured by future generations.

It is unfortunate that the DENR field offices, accordingly, cannot give concern on the development of the Arboretum is because there is no available budget for such purpose. I am wondering why small amount cannot be given to the development of this Arboretum while DENR has spent and is still spending billions of pesos for its NGP and eNGP, with little success.

For your information and action.

Thank you and God Bless,

Armando M. Palijon
Retired UP Professor
