Respectfully forwarding the 1st quarterly report on the monitoring of ecotourism facilities within NLNP.

The ecotourism facilities monitored and maintained by the NLNP-Protected Area Management Office (PAMO) personnel during this quarter are the following:

- 2 cottages and comfort rooms near Pungao Hotspring, Barangay Montelago, Naujan;

- Malabo View Deck in Barangay Malabo, Victoria;

- Bangklase in Bayani, Naujan.

Please be informed that during this quarter, the water level in Naujan Lake was high which makes the surroundings of Malabo View Deck, Pungao Hotspring in Montelago and Bayani, Naujan where Bangklase was temporarily docked, submerged in lake water. Monitoring in Tagbakin, Pola where Tagbakin Falls, 2 cottages and comfort rooms are erected will be facilitated in the next quarter since planned visits to the site were hindered by unfavourable weather condition.
