Dear Maam/Sir:

May the good Lord Bless you more and be with you always.

May I request from your good office/person for assistance regarding the Miscellaneous Sales Application No. V-57364 of Anastacio Kalaw, Sr. covering Lot No. 806-A, Csd-4A-000896-D consisting and containing an area of 609 square meters located in Barangay Sicsican, Puerto Princesa City who filed his application sometime in 1958. The application of his son in the name of Anastacio Kalaw, Jr. covering Lot No. 806-B, Csd-4A-000896-D (adjacent lot) which was filed in October 21, 1981 was already processed and Patent was already issued with its corresponding Title. I already have requested for the records of the application of Anastacio Kalaw Sr. at CENRO-Puerto Princesa City and made follow up on his application however, for no reason they could not give us update on the status of said application which is not consistent within the prescribed period provided under R.A. 11032 also known as Ease of Doing Business and Efficient Government Service Delivery Act of 2018 which mandates all government offices and agencies to provide services covering business and non-business related transactions to expedite transactions in the government.

In this regard, the family of Mr. Kalaw is looking forward for a prompt action with your help and intervention on the matter.

Respectfully yours,

VICTORIA M. SALCEDO
