Dear **Director Fragonal**:

Isang makakalikasang pagbati!

More than twenty-eight years since its enactment in 1995 through Executive Order No. 263, the Community-Based Forest Management (CBFM) has been the national strategy in all forest conservation and development and related activities of the Department of Environment and Natural Resources (DENR) to ensure the sustainable development of the country's forestlands resources.

To ensure the continuous success of the program, a CBFM Strategic Plan for CY 2023-2032 was crafted with the vision: "empowered and resilient communities and support groups/institutions in sustainable and equitable management of forest ecosystems."

In support of this, we are respectfully **requesting copy** of all the Comprehensive Land Use Plans (**CLUP**) in the MIMAROPA Region, if available. This will serve as input to the CBFM Regional Action Plan for 2023-2032 and CBFM Regional Communication Plan that will be crafted on the **Multi-Stakeholder Regional Action and Communication Planning** of this Office.

For your convenience, you may email in advance the said CLUPs to our email address, pfmscdd2016@gmail.com on or before August 28, 2023.

We are looking forward to your usual cooperation.

Thank you.

Very truly yours,

FELIX S. MIRASOL JR., CESO IV
