MEMORANDUM

FOR : The Director
Special Projects and Priority Programs, Project Transform
Office of the Secretary

FROM : The OIC, Regional Executive Director

SUBJECT : **REQUEST FOR ISSUES AND CONCERNS ON MANGROVE ECOSYSTEM PLANTING CONSERVATION AND OTHER RELATED MATTERS**

Relative to the Memorandum dated August 14, 2023 regarding the above-mentioned subject, hereunder are the three issues/concerns of the Region on mangrove conservation:

1. Monitoring and maintenance including restoration process/methods of mangrove and other marine resources affected by oil spill incident such as that of the MT Princess Empress tanker which sank off the coastal areas of Oriental Mindoro on February 28, 2023;
2. Conversion of mangrove areas into land reclamation projects for commercial purposes;
3. Coastal development such as construction of causeways and other tourism activities that pose threats to the mangrove ecosystems.

This Office recommends proper training/capacity building on restoration, prevention and mitigation methods to address the above-cited issues.

For information and record.
