Dear Ma'am,

In the interest of service, relative to the Regional Special Order No. 29 Series of 2023, I DINMAR P. DIAZ respectfully requests for consideration for his recall as Forest Ranger to his mother unit at CENRO Roxas, Palawan.

I sincerely appeal to continue reporting as a Forest Ranger for CENRO Puerto Princesa City since it would be more economically viable to work here, I support three children, and relocating to Roxas, Palawan, will increase my expenditures. Travel, board, and lodging charges that I would have to weigh against staying here in Puerto Princesa City, where I might reduce those costs. I also have previously been receiving death threats from doing my duties as a forest ranger during my tenure at CENRO Roxas a few years back.

I acknowledge that I have had flaws with my temper and that this may have caused some issues with my co-workers, but I would like to assure you that I am making a conscious effort to make amends to those who have felt I have wronged them, and I have also been working very hard on my self-improvement to avoid workplace conflicts. As a Forest Ranger, I've been performing my job to the best of my ability, and I have always treated clients with utmost respect. My immediate supervisor, Forester Dennis Aldrin O. Velasco, has been painstakingly assisting and coaching me in bringing out the best version of myself, which is also one of the reasons I would like to continue working at CENRO Puerto Princesa City if given the opportunity.

Hoping for your consideration and approval.

Respectfully,

DINMAR P. DIAZ
Forest Ranger
