Regional Executive Director
DENR - MIMAROPA
3rd Flr., 1515 DENR by the Bay Bldg.
Roxas Boulevard, Ermita, Manila

Dear **Director Claudio**:

Warm greetings!

We would like to express our heartfelt gratitude and appreciation for your continued support to the people of the Municipality of Bulalacao, Province of Oriental Mindoro.

This refers to the expired Pasture Lease Agreement of Maani Development Corporation (MADECO) in the 600-hectare area located in Sitios Quepanglao and Tambangan in Barangay San Juan. This LGU, thru the Bulalacao Development Cooperative (BUDECO), would like to apply for the management/co-management of the said area based on the following observations:

1. Since the lease agreement expired, the area has been occupied by settlers who do not have the technical and financial capacity to make it productive;
2. LGU-Bulalacao, thru BUDECO, will make the area productive in terms of agriculture as well as livestock industry;
3. The plan for agricultural production will support the food security program of the current administration;
4. The area is part of our approved Comprehensive Land-Use Plan as Planned Unit Development and future economic zone; and
5. LGU-Bulalacao has been investing on income generating projects like the LGU-owned 5-storey hotel, and restaurant as well as converting vast idle lands into productive and income-generating projects so as not to rely much on the national tax allocation.

In consideration of the above, we look forward to your support towards this endeavor.

Thank you very much.

Very truly yours,

Engr. ERNILO C. VILLAS
Municipal Mayor
