Happy New Year and Good Morning to all!

In order to assess the progress of uploading cases to the system, we would like to ask for an update on the status of uploading of your respective PENROs/CENROs. We assume that for those regions who were given E-FMS training earlier this year (in particular CAR, R3, R4A, R4B, R5) would be close to completing your uploads and are up to date.

Please send us a list containing the ff information per CENRO (and per PENRO if there is an implementing PENRO that also uploads cases):

- # of total uploaded cases (indicate which years are uploaded)
- # of total cases yet to be uploaded (indicate which years are yet to be uploaded)
- timeline on when the uploading may be finished

If all PENROs/CENROs are updated in their uploading of cases

Thank you and we hope to hear from you soon.

Sincerely,

Ivan Bancoro
