Dear RED Claudio:

Greetings from the People of Occidental Mindoro!

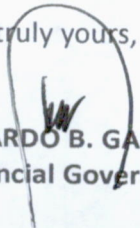

This is to respectfully refer to your good office the letter-request of Arch. Brando R. Bulosan, Vice-President of Triton Construction and Development Corp., for permission to conduct geotechnical borehole drilling at the offshore of Amnay River and Patrick River.

Considering the technical nature of the request and that the area where the activity is to be conducted is an offshore which is within your jurisdiction, we are respectfully referring the said request to your office for your sound judgment and discretion.

Attached is a copy of the said letter-request for your information and reference.

Thank you and warm regards.

Very truly yours,

EDUARDO B. GADIANO
Provincial Governor

Subject: **PROPOSAL FOR TO DO GEOTECHNICAL STUDY AND TO DREDGE
HEAVILY-SILTED RIVER CHANNEL OF AMNAY AND PATRCIK RIVERS IN
SABLAYAN IN THE PROVINCE OF OCCIDENTAL MINDORO**

Dear *Hon. Gov. Gadiano*:

Greetings!

In connection with the flood control program of the government pursuant to the JMC No. 2019-01 among the department of Environment and Natural Resources ("DENR"), Department of Public Works and Highways ("DPWH"), Department of Interior and Local Government ("DILG"), and Department of Transportation ("DOT").

We, *Triton Construction and Development Corporation (TCDC)* with a primary engagement in the business of infrastructure and development, with a classification as triple A or AAA by the Philippine Contractors Accreditation Board (PCAB), a sister company of Bird's Nest Resources Corporation under the Wellex Group of Company (see attached company profile), hereby express with formal intent to assist in technical study and dredging the heavily-silted Amnay River and Patrick River at no cause to the provincial government of Occidental Mindoro. To do an initial assessment of four said rivers in Sablayan, we would like to request your permission to conduct the geotechnical borehole drilling at the offshore of the Amnay River and Patrick River.

We acknowledged to follow and coordinate with the concerned LGU Units and Maritime Agencies for the required notices and permits for the planned location of work and when the above work will be conducted.

For your additional concerns, please feel free to reply via email or call **ARCH. BRANDO R. BULOSAN** at 09178762736.

Thank you!

Very truly yours,

ARCH. BRANDO R. BULOSAN
Vice-President
