February 3, 2023

DIR. KARMELA BEATRIZ L. GALURA
Strategic Communications Department
Department of Environment and Natural Resources
DENR Bldg. Visayas Avenue
Diliman, Quezon City

Dear Ma'am,

Good day!

Ted Failon DJ Chacha sa Radyo5 is a widely followed news and commentary radio program, with a unique format that combines news, entertainment, music, and public service, and is hosted by veteran broadcast journalist Ted Failon and versatile radio personality DJ Chacha.

The program is heard daily, Monday to Friday, from 6:00 to 10:00 in the morning on 92.3 News FM in Mega Manila, and its affiliate radio stations nationwide. We also have a daily simulcast on One Ph Channel 1 on Cignal TV that reaches the remotest barangay all over the country, and on our digital platforms via Radyo5's Facebook page and News5's YouTube channel.

Our program would like to invite Secretary Antonia Yulo-Loyzaga or one of DENR representatives for an interview via live online broadcast using Streamyard.com. Below are the topics to be discussed and other information regarding our request:

Topic: Sibuyan Island mining incident
Date: February 6 or 7, 2023 (Monday or Tuesday)
Time: 6:45am or 8:50am
Platform: live via online broadcast using streamyard or via phone patch

Guide questions:

1. Ano po ang action ng DENR sa nangyayaring insidente ng minahan sa Sibuyan Island?
2. May kaukulang permit po ba mula sa DENR ang diumano'y nagooperate ng minahan sa nasabing lugar?
3. May bumisita na po ba mula sa DENR sa nasabing lugar?
4. May natanggap po bang reklamo ang DENR mula sa mga taga anti-mining group sa nasabing lugar?
5. Ano po ang violation ng mining company kung sakaling mapatunayang wala silang kaukulang permit para mag-operate doon sa lugar ng Sibuyan Island?

We hope you could consider our invitation and join us. Should you have any questions or clarifications, please contact me at +639636656949 or in my email.

Thank you so much! We are looking forward to having you on our show.

Sincerely,
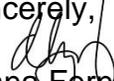

Diana Fernandez
Researcher
