## **PENRO Marinduque Advocates National Zero Waste Awareness**

On January 27, 2023, OIC-PENR Officer Imelda M. Diaz hosted the regular TV Program entitled "*Talakayang Pangkalikasan ng DENR Marinduque*" via live telecast at 3:00 PM in Marinduque News Network (MNN), a Local Radio-TV Network in Marinduque Lucky Seven Channel 3. This month's episode focused on the celebration of National Zero Waste Month under Presidential Proclamation No. 760, dated May 05, 2014. The advocacy campaign of the program was focused on the Republic Act (RA) No. 9003 or Ecological Solid Waste Management Act of 2000, with this year's theme "Stepping Up Solid Waste Management Through Efficient Extended Producer's Responsibility."

The Special Guest, Ms. Ashley Denise Adora L. Ignacio, Chief of the Ecological Solid Waste Management Section of the Department of Environment and Natural Resources (DENR)-Environmental Management Bureau (EMB) MIMAROPA Region, clearly discussed the newly enacted law, Republic Act (RA) 11898 also known as the Extended Producer Responsibility (EPR) Act of 2022, a new policy that mandates companies to establish EPR programs for their plastic packaging waste, wherein this law promotes a "circular economy", which is a practical approach to efficient waste management.

On the other hand, PENRO Diaz mentioned various events and highlighted activities undertaken by DENR-PENRO Marinduque within the month of January, which included the launch of the simultaneous **5S Day activity** held on January 27, 2023, which will be sustained every last Friday of the month in PENR Office, Protected Area Management Office (PAMO) located at Brgy. Tumagabok, Boac, Marinduque and Buyabod Monitoring Station/Look-out Tower situated at Buyabod Port in Brgy. Buyabod, Santa Cruz, Marinduque. PENRO Diaz emphasized that 5S Day forms part of the office compliance with ISO 14001:2015 (Environmental Management System or EMS) which further contributes to the workplace improvement program under the Quality Management System (QMS) or ISO 9001:2015. Also discussed is the ongoing Asian Waterbird Census that is being conducted annually in conjunction with World Wetlands Day on February 2. The activity was enjoined by volunteers from Marinduque State College, Provincial Government-Environment and Natural Resources Office (PG-ENRO) Marinduque, APO MANDIN, Local Government Unit of Mogpog, Local Government of Santa Cruz, Municipal Environment and Natural Resources Office (MENRO) Santa Cruz and DENR Regional Office.

She also congratulated the four (4) newly-appointed and five (5) newly-promoted personnel of PENRO Marinduque who took their oath and pledged their commitment to public service during the face-to-face Oath-taking Ceremony administered by DENR MIMAROPA Regional Executive Director Lormelyn E. Claudio held at DENR MIMAROPA Regional Office in Manila on January 17, 2023, along with twenty-five (25) newly-appointed and newly-promoted personnel from DENR Oriental Mindoro and DENR Romblon.
