two other truck helpers. Both the driver and the Alaska agent also admitted that they have no permit or any legal document for the charcoal they bought and transported to the City.

However, the company representative Mr. Rogelio Caralipio, Jr. said that the company has no knowledge about the illegal transaction of their personnel. Based on the company policy he presented, it is strictly prohibited to put other stocks inside the truck aside from company products. The said policy was signed by the Mr. Berba and Mr. Papillera. Hence, the company denies the fact that they have knowledge on the hauling of charcoal of their personnel.

II. NOTICE OF HEARING

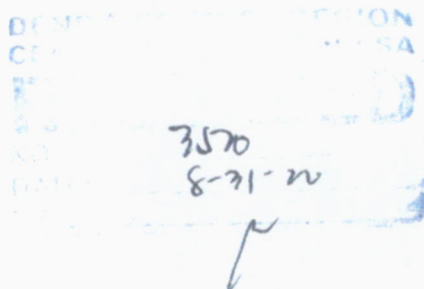

The notice of hearing was released on July 29, 2022 and the hearing was conducted on August 2, 2022.

III. EVALUATION

Based on the facts, it is well settled that the respondents do not have legal documents in transporting the twenty-one (21) sacks of charcoal. There was a clear violation of the PD 705 Sec. 77 which stated that: *"Any person who shall cut, gather, collect, removed timber or other forest products from any forest land, or timber from alienable or disposable public land, or from private land, without any authority, or possess timber or other forest products without the legal documents as required under existing forest laws and regulations, shall be punished with the penalties imposed under Articles 309 and 310 of the Revised Penal Code..."* However, it is also settled that the company has no knowledge about the illegal activities of their agent and driver. Based on the company policy submitted to this office, it is the policy of company that only company products will be loaded and stored in their tracks since it will spoil the products.

IV. RECOMMENDATION

It is recommended that the 21 sacks of charcoal be confiscated in favor of the government and the conveyance be released to its rightful owner.

Respectfully submitted is the summary of Administrative Adjudication of Isuzu Giga Truck with Plate Number NGK-1690 delivery truck of Alaska Products, loaded with twenty (21) sacks of charcoal.

I. FACTS OF THE CASE

On or about 2:44 in the afternoon on July 23, 2022 at Purok Centro, Brgy. Sta. Lourdes, Puerto Princesa City one (1) unit truck owned by Last Frontier Distribution Services, Inc. bearing plate No. NGK 1690, was apprehended. Prior to the apprehension, the monitoring station already received three (3) information reports from the concerned individual that a closed panel van, and a delivery truck of Alaska products to the north is loading charcoal going back to the city every Saturday.

The rangers flagged down the vehicle and identified themselves as DENR personnel. They also explained to them that it is only for verification because there is a report that they are carrying undocumented minor forest products. They also ask the driver if he can open the van for verification. The driver agreed and he opened the van. Initially, he said they are only carrying 10 sacks of charcoal, however, upon inspection, there were twenty-one (21) sacks of charcoal. The case was reported to the office and since the driver and the agent could not present transport documents, they were instructed to bring the vehicle to the CENRO office at Sta. Monica for the proper issuance of apprehension receipt.

During the administrative hearing, Mr. Ryan Berba mentioned that they bought 11 sacks of charcoal from Taytay. Mr. Berba mentioned that he bought five (5) sacks of charcoal for their co-worker and the remaining six (6) were for the driver Mr. Wenifredo Papillera. He also mentioned that they bought the other ten (10) sacks of charcoal at Brgy. Sta. Cruz, Puerto Princesa City. The Driver Mr. Papillera admitted that he bought six (6) sacks of charcoal from Taytay and an additional ten (10) sacks at Brgy. Sta. Cruz. He said that he bought it for his mother-in-law, and

Hearing Officer: Saan po dinala? Dito raw sa opisina sa DENR CENRO Puerto? Pagkatapos dinala dito sir may ibinigay po ba sa inyo na papel?

Wenifredo Pappilera; Wala po! Kinuha lang po yung papers. Noong time po naman na yun wala man pong naibigay na papers.

Hearing Officer: Apprehension receipt? Wala pong naibigay po sa inyo? Pero basi sa records kay Mr. Ryan Perba may naibigay na apprehension receipt paki confirm nga Sir. Tama po Sir, may naibigay na apprehension receipt kay Mr. Ryan Berba?

Wenifredo Pappilera; Meron po!

Hearing Officer: Sige Sir, pansamantala wala mo na akong katanungan. Maliban nalang kong may dagdag kayo sa salaysay nyo Sir.

Wenifredo Pappilera; Wala na po Sir!

Hearing officer; Sige Sir isunod po natin si Rogelio Caralipio. Sir ano pong kinalaman nyo dto sa nangyaring apprehension?

Rohelio Caralipio; Ako po yung immediate supervisor nila pagdating dito sa field.

Hearing officer; Bilang isang immediate supervisor usually ano yung mga sakop niyo bilang supervisor hanggang saan yung mga instruction na binibigay sa kanila?

Rohelio Caralipio Una sa sell direction namin, sell strategy at the same time ako rin nag ka cascade. Mahigpit din kaming nagbabawal magkaroon ng back load kasi nga booking delivery ito ehh umuwi ito sila na wala ng laman yung truck. Hind namin ina allowed na magkarga sila ng kahit anong gamit o bagay pauwi dito sa Puerto Princesa. Specially yang uling na yan talagang mahigpit naming ipinagbabawal kasi, una maliban sa bawal sa batas, pangalawa yung alikabok nya pagkinarga mo kasi yan sa truck. At ito pa yung cause para masira yung produkto maliban sa macontaminate. Kasi nga exclusive milk product yung dinidistribute namin kailangan malinis at maayos yung truck namin. So ayun po hindi po namin ina allowed at wala po kaming kinalaman.

Hearing officer; Nabanggit nyo Sir kanina na ipinagbabawal na may back load nabanggit nyo rin na kasama doon na ipinagbabawal yung uling. Yung mga ganong instruction papaano nyo naibibigay sa kanila?

Rohelio Caralipio; Every year po nagpapa receive po kami at the same time nag discuss nagkakaroon kami ng general meeting para erefresh sila doon sa company policies at yan naman ay ina acknowledge nila pinipirmahan after nila mabasa yung policies na dini discuss namin sa kanila.

Hearing officer; Isa po kayo Sir sa nagbibigay sa kanila ohh naggagawa ng policies?Tama po ba?

Rohelio Caralipio; Yes!

Hearing officer: Mayrong naisubmit dito noong July 26 si Mr. Wenifredo Pappilera na nakalagay dito na mayroon pang policy. Pwedeba akong pa identify nito sir kong ito po ba yung company policies?

Rohilio Caralipyo: Yes Sir!

Hearing officer: Sa dulo may pirma? Ito ba yung sinasabi nyo Sir na Company Policies?

Rohilio Caralipyo: Yes Sir!

Hearing officer: Dito sa company policies nyo Sir maaring mo bang ma identified Sir kong saan dito banda tinutukoy kanina na instruction sa pagbabawal sa pagkarga o back load particular sa uling.?

Rohelio Caralipio: Ito po!

Hearing officer: Yung tinutukoy nyo kanina Sir sa salaysay nyo ay yung item number six itong naka second, third paragraph ng item number six. Basahing ko lang, mahigpit na hindi pinapahintulutan ang paglagay ng ibang gamit oh stocks sa loob ng warehouse at sa mga truck liban sa mga pruduktong dala-dala ng ating kumpanya. So ito po yung tinutukoy na instruction nyo kanina Sir na bawal sila maglagay ng ibang prudukto maliban sa kumpanya nyo Sir? Pagnagbayahe ba yung truck ninyo usually sa office ninyo paano po bilang supervisor nalalaman na itong truck na ito bibiyahe sa ganitong araw ganitong rota?

Rogelio Caralipio: Una po after na maibato ng ahente yung order galing sa account iniinvoice po yun at yung invoice na yun yun din ang base na ikakargang stocks papunta don sa truck at the same time mayroon kaming checker na tatlo na maliban sa security guard na ito lang talaga before isinasara yung truck pag bumabyahe.

Hearing Officer: So alam nyo na kung ano ang karga nung truck paalis?

Rogelio Caralipio: Lahat ng karga talaga ay para lang sa account.

Hearing Officer: Paano po sila nag rereport halimbawa na deliver na nila ang account nila. Pagbalik na momonitor nyo pa din po ba bilang supervisor?

Rogelio Caralipio: Yes!pag nasa account sila meron silang pinapa recieve na yung sa resibo na nagrerecieve ng account tapos ayun nayon yung dadalhin ng ahinte ng truck o driver pabalik ng opisina at yun naman yung sisingilin sa susunod na linggo. Kasi naka terms kami sa account kumbaga yung baba ngayon yung singil sunod na linggo ulit sir.

Hearing Officer: Noong July 23,2022 nong matapos na nilang madeliver yung mga usually sa practice nyo sa opisina ninyo nagfefeedback ba sila na naricieve na at pabalik na sila?

Rogelio Caralipio: Base nman dapat talaga before lunch or 1:00 o'clock dapat nasa opisina na sila base din po dun sa karga nila. Kasi ang pasok naman talaga namin hanggang Saturday lang kaya dapat makauwi sila before magsara yung tao sa opisina at makapag report sa kanilang delivery.

Hearing Officer: Nong July 23, 2022 base dito sa report naapprehend silang may kargang uling?

Rogelio caralipio: Base po dito kanina sa mga nabanggit ng mga kasamahan ninyo meron binabanggit dito na si Jayson Arzaga si Mr. Badajos Mr Babangga si Mr. Pilonto. Maga Kasamahan nyo din po ba ito sir?

Rogelio caralipio: Si Jayson Arzaga at saka si Renan Badajos kapwa nya ahente nakaassign dito sa amin. Si Rene Babangga at si Polangkis ay Truck helper nya.

Hearing Officer: Kasama to nong time na nahuli yung truck itong dalawa na ito? So nandun din sila?

Rogelio Caralipo: Yes po!

Hearing Officer: Pero kayo personally Sir bilang supervisor hindi nyo alam yung pagkarga nila na ito ng uling?

Rogelio Caralipio: Hindi po namin alam Sir!

Hearing Officer: Usually Sir, sa office ninyo pag may mga violation na nanggaling sa company policy ano usually yung sanction?

Rogelio Caralipio: Mabigat po! Una suspension base din yan sa policy namin pangalawa pagkatanggal sa trabaho.

Hearing officer; Sino po yung may ari ng Isuzu Giga Truck?

Rogelio Caralipio Si Last Frontier Distribution.

Hearing officer; Yun yung pinaka mother company ninyo Sir sa kanya po naka prangkisa yung sasakyan o sa kanya naka rehistro bilang may ari? Mayroon pa po ba kayong idadagdag Sir, pansamantala wala na po akong katanungan sa inyo maliban nalang kung may idadagdag pa kayo sa inyong salaysay na nabanggit ninyo Sir?

Rogelio Caralipio; Gusto ko lang po sana na ma request na mapadali maipalabas yung truck. Talagang yan lang yung ginagamit namin sa norte na pan deliver sa mga account. Sa company namin medyo looses din sa amin yun malaki din yung nawala, baka pwedi pong ma request na mailabas or ma una wala naman kaming kinalaman or yung company sa pagkarga ng uling.

Hearing officer; Yes Sir!

Rogelio Caralipio; Opo!

Hearing officer; Sige Sir meron pa ba?

Rogelio Caralipio; Yun lang po.

Hearing officer; Nandito rin ngayon yung isa sa mga apprehending officer si Mr. Nathaniel Mendoza. Pwede po kayong magbigay ng pagkakakilanlan nyo?

Nathaniel Mendoza: Opo Sir. Noong 23 po ng July may info na po sa amin kasi before ng 23 po ang info po sa amin ng informant. Nong July 16 po inaabangan na po namin sila kasi may info na samin na may karga po silang 50 sacks ng charcoal. Pero hind namin sila naabangan kasi nagbago daw po sila ng schedule, kaya nong sabado pagbato naman sa amin ng info inabangan namin sa Sta. Opo!

Hearing Officer:

Kayo yung naka pirma Sir? kayo din po ang gumawa ng letter? Basi dito sa letter nyo sir na notaryado ni Atty. ni Quinion. So basahin ko lang content nyo Sir. Ako si Wenifredo Ferer Pappilera Jr. humihingi ng paumanhin at hindi na po uulit sa aking nagawa hind ko rin po alam na sobrang higpit na po pala. Kasi po yun ay panggamit lang namin ng aking mga kaopisina sana po ako'y inyong mapagbigyan. Hindi ko na po uulitin kailanman. Base dito sa letter nyo Sir papunta sa aming CENRO Pedro Velasco ano pong tinutukoy nyo po dito Sir na nagawa ninyo.

Wenifredo Pappilera:

Yung ano po?

Hearing Officer:

Dito sa inyong letter na notaryado ni Atty. ni Quinion may nabanggit po kayo Sir na, meron kayong nagawa, humihingi kayo ng paumanhin pero hind niyo po nabanggit kong ano po ang hinihingi ng paumanhin?

Wenifredo Pappilera:

Yun na po sa pagkarga namin ng uling, humihingi po ako ng paumanhin.

Hearing Officer:

Ito po yung salaysay nyo po sir ay para doon sa pagkarga ninyo ng uling. Bakit kayo humihingi ng paumanhin Sir?

Wenifredo Pappilera:

Humihingi po ako ng paumanhin sir sa pagkarga ng uling na yan hindi ko naman po namin alam na ganon na pala kahigpit yung batas ng pagdadala ng uling.

Hearing Officer:

Naghihingi po kayo ng paumanhin ano pong dahilan dahil wala po ba kayong permiso o permit? Dahil wala kayong permit? Base kanina dito sir na nasabi niyo kanina sa salaysay nyo ay hind kayo nakahingi ng resibo pero meron ditong sinubmit nong July 26,2022 na resibo o sales invoice na inissue sa inyo Wenifredo Pappilera galing sa Roxas Palawan. Tama po ba Sir kayo po ba nag submit nito?

Wenifredo Pappilera:

Opo Sir!

Hearing Officer:

Sa inyo po ito ibinigay itong resibo. Kanino po itong pirma sir baka kilala nyo.

Wenifredo Pappilera:

Hind ko narin po matandaan sir kong kanino.

Hearing officer:

Hindi nyo narin matandaan? Ibinigay lang din to sa inyo? Walang address, business title? So base dito sa resibo ay bumili kayo ng 21 sacks ng uling sa halagang 4,200 tama po ba Sir?

Base din po sa letter nyo sir may binigay kayong tree plantation ownership galing kay Mr. Romeo Paredes pirmado ni CENRO Ronie Gandesa noong August 24, 2021. Sir pwedi niyong sabihin kung anong naging participation ng papel na ito sa uling ninyo Sir.

Hearing Officer:

Hindi niyo rin po kabisado hindi niyo rin po alam inattach nyo lang po dito sa letter nyo. So hindi nyo alam kong anong connection dito? Isasama lang natin sa records namin sir kasi nakalagay dito galing sa New Cuyo, Roxas din itong resibo nyo. So basi dito sa CTPO nyo resibo nyo sales invoice ay galing din sa Roxas nong binili niyo itong uling na base dito sa resibo nyo bininta sa inyo kasama na ring ibinigay itong CTPO. Kasama po ito Sir?

Wenifredo Pappilera:

Opo!

Pansamantala wala na po akong itatanong maliban nalang kong may gusto pa kayong klarohin may gusto kayong idagdag sa mga salaysay nyo Sir?

Wenifredo Pappilera:

SUBJECT : ADMINISTRATIVE ADJUDICATION OF ONE (1) UNIT ISUZU GIGA TRUCK BEARING PLATE NUMBER NGK-1690 LOADED WITH TWENTY-ONE (21) SACKS OF CHARCOAL DRIVEN BY MR. WENIFREDO PAPILLERA, APPREHENDED AT BRGY. STA. LOURDES, PUERTO PRINCESA CITY

Respectfully submitted is the summary of Administrative Adjudication of Isuzu Giga Truck with Plate Number NGK-1690 delivery truck of Alaska Products, loaded with twenty (21) sacks of charcoal.

I. FACTS OF THE CASE

On or about 2:44 in the afternoon on July 23, 2022 at Purok Centro, Brgy. Sta. Lourdes, Puerto Princesa City one (1) unit truck owned by Last Frontier Distribution Services, Inc. bearing plate No. NGK 1690, was apprehended. Prior to the apprehension, the monitoring station already received three (3) information reports from the concerned individual that a closed panel van, and a delivery truck of Alaska products to the north is loading charcoal going back to the city every Saturday.

The rangers flagged down the vehicle and identified themselves as DENR personnel. They also explained to them that it is only for verification because there is a report that they are carrying undocumented minor forest products. They also ask the driver if he can open the van for verification. The driver agreed and he opened the van. Initially, he said they are only carrying 10 sacks of charcoal, however, upon inspection, there were twenty-one (21) sacks of charcoal. The case was reported to the office and since the driver and the agent could not present transport documents, they were instructed to bring the vehicle to the CENRO office at Sta. Monica for the proper issuance of apprehension receipt.

During the administrative hearing, Mr. Ryan Berba mentioned that they bought 11 sacks of charcoal from Taytay. Mr. Berba mentioned that he bought five (5) sacks of charcoal for their co-worker and the remaining six (6) were for the driver Mr. Wenifredo Papillera. He also mentioned that they bought the other ten (10) sacks of charcoal at Brgy. Sta. Cruz, Puerto Princesa City. The Driver Mr. Papillera admitted that he bought six (6) sacks of charcoal from Taytay and an additional ten (10) sacks at Brgy. Sta. Cruz. He said that he bought it for his mother-in-law, and two other truck helpers. Both the driver and the Alaska agent also admitted that they have no permit or any legal document for the charcoal they bought and transported to the City.

However, the company representative Mr. Rogelio Caralipio, Jr. said that the company has no knowledge about the illegal transaction of their personnel. Based on the company policy he presented, it is strictly prohibited to put other stocks inside the truck aside from company products. The said policy was signed by the Mr. Berba and Mr. Papillera. Hence, the company denies the fact that they have knowledge on the hauling of charcoal of their personnel.

II. NOTICE OF HEARING

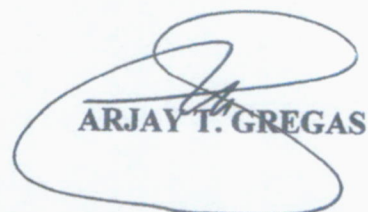

The notice of hearing was released on July 29, 2022 and the hearing was conducted on August 2, 2022.

III. EVALUATION

Based on the facts, it is well settled that the respondents do not have legal documents in transporting the twenty-one (21) sacks of charcoal. There was a clear violation of the PD 705 Sec. 77 which stated that: *"Any person who shall cut, gather, collect, removed timber or other forest products from any forest land, or timber from alienable or disposable public land, or from private land, without any authority, or possess timber or other forest products without the legal documents as required under existing forest laws and regulations, shall be punished with the penalties imposed under Articles 309 and 310 of the Revised Penal Code..."* However, it is also settled that the company has no knowledge about the illegal activities of their agent and driver. Based on the company policy submitted to this office, it is the policy of company that only company products will be loaded and stored in their tracks since it will spoil the products.

IV. RECOMMENDATION

It is recommended that the 21 sacks of charcoal be confiscated in favor of the government and the conveyance be released to its rightful owner.
