Gomez, City ENR Officer of Puerto Princesa City Government Office pertaining to the request of five (5) Punong Barangays within the City of Puerto Princesa (San Rafael, Tanabag, Concepcion, Binduyan and Langogan) to retrieve and utilize fallen/uprooted and snag trees within their areas of jurisdiction.

It can be recalled that these five Barangays were severely affected by typhoon Odette last December 17, 2021. The lumber that will be derived from fallen/uprooted and snag trees shall be used for the repair and construction of houses and institutional facilities within the said Barangays damaged by typhoon Odette.

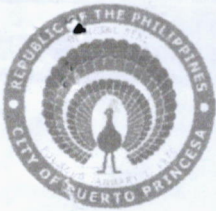

Attached are inventory report submitted by the joint team from City ENRO and representatives from this Office, Stand and Stock table (SST), Barangay Resolutions and geotagged photos.

In view of the above, this Office is requesting clarifications whether we can still issue a permit to utilize typhoon Odette damage trees considering that the three months allowable period already lapsed last June 3, 2022 per Memorandum dated March 2, 2022 of then OIC Secretary Jim O. Sampulna.

RESOLUTION NO.22
Series 2022

**A RESOLUTION ENDORSING THE REQUEST TO DEPARTMENT OF
ENVIRONMENT AND NATURAL RESOURCES (DENR-CENRO) FOR THE
EXTENSION OF WOOD RECOVERY PERMIT OF BARANGAY BABUYAN FOR THE
CONTINUATION OF CUTTING OF SALVAGE TREES ALONG TUGBUAN RIVER**

WHEREAS, the Local Government Unit of Barangay Babuyan agreed to create a resolution on the extension of Wood Recovery Permit;

WHEREAS, the first WRP was only utilized for the needed wood for the establishment of new Tribal Hall of the Katutubong Tagbanua and some households because it has a limit of five cubic meters or almost two thousand board feet;

WHEREAS, this extension will continuously help the constituents of this barangay on their road to recovery from the damages that the typhoon Odette left them;

WHEREAS, the said extension will also help in the de-clogging of the Tugbuan River, as the uprooted trees are still blocking the river which also leads to the overflowing of the river when there is heavy rain;

NOW, THEREFORE, on motion of Hon. Pedro J. Martinez, duly seconded by Hon. Ronald D. Olorga and all members present;

BE IT RESOLVED, a resolution endorsing the request to DENR-CENRO for extension of Wood Recovery Permit of Barangay Babuyan for the continuation of cutting of salvaged trees along Tugbuan River must be made.

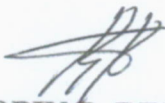

UNANIMOUSLY APPROVED this 6th day of July 2022 at Barangay Babuyan, during first regular session on 6th day of this month.
