This pertains to the target activities of site preparation and out planting activities for the 100 hectares plantation establishment.

Please be informed that the one hundred (100) hectares target for site preparation and out planting activities have been 100% accomplished by the contractor, which is the Bato Multi-Purpose Cooperative located in Barangay Bato, Taytay, Palawan.

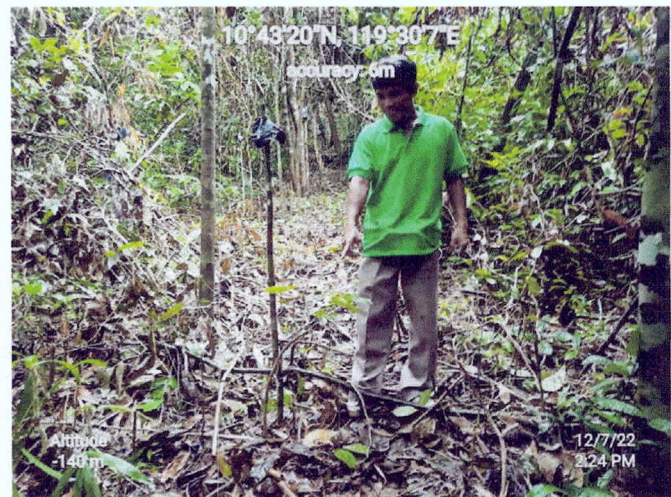

They have planted a total of 62,500 seedling of indigenous species (narra and ipil) with a spacing of 4m x 4m in the watershed area of Sitio Comalibongbong, Brgy. Bato, Taytay, Palawan. Activities conducted were strip brushing, staking, hole digging and actual planting of seedlings. Continues conduct of monitoring and extending of technical assistance to the NGP partner to ensure good survival of the plantation.

Attached are geo-tagged photos for documentations.
