Dear RD Pascua:

This refers to the implementation of the **Integrated Major Biodiversity Corridors in the Philippines** through a grant from the Global Environment Facility Nations Development Programme (UNDP), and implemented by the Department of Environment and Natural Resources (DENR) through the Biodiversity Management Bureau (BMB).

The Project aims to operationalize integrated management of biodiversity corridors to generate multiple benefits including effective conservation of globally threatened species and high conservation value forests, reduce deforestation and degradation, and enhance local biodiversity-friendly livelihoods. The DENR serves as the Executing Agency and Implementing Partner of the UNDP, which serves as the GEF's Implementing Agency.

One of the two (2) pilot sites of the project is the Central Mindoro Biodiversity Corridor, which houses the ancestral domains of at least five (5) Mangyan ethnolinguistic groups in Mindoro Island, namely: Iraya, Alangan, Tao-Buid, Buhid-Bangon, and Hanunuo-Gubatnon-Ratagnon.

In connection with these, we would like to request assistance from your Office in the conduct of Free and Prior Informed Consent (FPIC) to these ancestral domains to gain and ensure the support from the Indigenous Cultural Communities (ICCs), being one of the targeted beneficiaries of the project, and secure the necessary Certification Precondition (CP).

Attached is a document containing information on the project per Section 7 of NCIP Administrative Order No. 3 Series of 2012. Expenses that will be incurred in the FPIC process shall be shouldered by the project's fund being managed by our Corridor Project Management Unit (CPMU) currently based at DENR-PENR Office in Sitio Pagasa, Brgy. Payompon, Mamburao, Occidental Mindoro.

Thank you very much.

Very truly yours,

LORMELYN E. CLAUDIO, CESO IV
