MEMORANDUM

FOR : The Community Environment and Natural Resources Officer

THU : The chief of Monitoring and Enforcement Section

FROM : The Quick Response Team

SUBJECT : ON-SITE/INVESTIGATION REPORT DATED NOVEMBER 11-12, 2022 RELATIVE ON THE INFORMATION RELAYED IN THE MONITORING AND ENFORMENTMENT SECTION RE: THE ALLEGED ILLEGAL CUTTING/FELLING OF TREES AT SITIO PASI, BARANGAY PULOT INTERIOR, SOFRONIO ESPAÑOLA, PALAWAN THAT RESULTED TO APPREHEND/CONFISCATED THE ABONDONED LUMBER SPECIES OF PANASAN WITH A TOTAL OF 200 BD.FT. AND 6 PIECES OF ROUND TIMBER SPECIES OF IPIL WITH A TOTAL OF 40 C.U.M

OFFICE OF THE CENRO
BROOKE'S POINT, PALAWAN

It is informed that the undersigned members of the Quick Response Team of CENRO Brooke's Point conducted verification/surveillance monitoring on November 11-12, 2022 at Sitio Pasi, Barangay Pulot Interior, Sofronio Española, Palawan in response to the report/information relayed through phone call by a reliable informant to the Chief, Monitoring and Enforcement Section (MES) concerning the alleged illegal cutting/felling of trees in the aforementioned area.

Hereunder are the details of the on-site investigation/operation conducted:

1. Inspection/Investigation:

- a. Date : November 11-12, 2022
- b. Place : So. Pasi Barangay Pulot Interior
Sofronio Española, Palawan

1. During the search and surveillance monitoring, the team spotted/discovered in plain view the stockpile of lumbers of different sizes including six (6) pieces of round timber species near/within the vicinity of the Seventh Day Adventist Church however no owner/claimant is around.
2. Per scaling/inventory and verification/identification conducted by the team, the items were comprised of lumber of Panasan and Dipanga Species a having an aggregate volume of 663.58 board feet. While the 6pieces of round timber of Ipil have total of .40cubic meter
3. The team likewise conducted investigation/interview to determine/trace out the owner or claimant of the subject lumbers and round timbers however the team failed to do so because nobody in the surrounding area is able to point out or identify the possible owner/claimant. Consequently, the team decided to apprehend the subject lumbers and round timbers and declared it as abandoned.
4. The team also coordinated with the MENRO of Sofronio Española to request for manpower assistance including equipment to haul the apprehended items. Accordingly, the MENRO Sofronio Española headed by Engr. Geofred Diaz provided dump truck and additional manpower/MENRO personnel to assist in the hauling of the apprehended lumbers and round timbers. Unfortunately, due to the heavy rains that resulted to the road turning slippery and muddy, the provided dump truck used as hauling vehicle got stuck/buried. Thus, the team requested for another dump/hauling truck however due to limited resources and unavailability of driver as it was already late, the MENRO is unable to grant the team's request. Hence, the team likewise coordinated with the PNP Sofronio Española Municipal Police Station, unfortunately they too have already no available personnel that can be deployed to respond in the subject area.
5. At around 8:00 PM of November 11, 2022, the team decided to pull out and resume the operation on the next day for safety purposes considering that the site has been verified as critical or unsafe.
6. On the following day – November 12, 2022 at on or about 9:20 in the morning the CENRO Quick Response Team together with Forest Ranger Claber A. Benter - representative from MENRO, 1st PMFC lead by PSSg Denis Garadueque and PNP Sofronio Española MPS lead by PCLP Edwin Baladjay return to the area to conduct joint operation and recover the buried dump truck loaded by 663.58bd.ft lumber. and .40 cubic meter, however the other Dump truck which was supposed to be used was also damaged/broke down on the way to the area.
7. The team arrived on-site at around 10:30 AM to discover/ find out that only 200 board remained out of the 663.58 board feet of lumbers and .40 cubic meter of round timbers previously loaded on the dump truck left on-site. Accordingly, the team tried searching within the perimeter area however no traces of the other lumbers were found/discovered. Likewise, the team conducted interview within the adjacent area however there is no one witnessed what happened or say anything related to the matter.

CENRO Brooke's Point conducted verification/surveillance monitoring in response to the information received thru phone call from a reliable informant concerning the alleged cutting/felling of trees in the area. During the search operation the team discovered in plain view a stockpile of lumbers near the vicinity of Seventh Day Adventist Church, per scaling the team identified that seventy-eight (78) pieces Panasan lumbers species (539.08 board feet), twenty-nine (29) pieces of Dipanga lumbers species (124.50 board feet) and six (6) pieces round timber of Ipil (0.40 cubic meter). The team coordinated with the MENRO of LGU Sofronio Española for manpower assistance. Accordingly, the MENRO provided a dump truck to be used in the hauling in the apprehended lumbers. Unfortunately the dump truck loaded with the lumbers got stuck in the slippery and muddy road. The team likewise coordinated with the PNP Sofronio Española, however they have no available personnel that can be deploy in the said area. Around 8:00 PM of November 11, 2022 the team decided to pull out and resume the hauling operation on the next day. On the following day, November 12, 2022 at 9:20 in the morning the team together with representative from the MENRO and PNP Sofronio Española returned in the area to recover the dump truck loaded with 663.58 board feet of apprehended lumbers. The team arrived around 10:30 in the morning and discovered that only 200 board feet remained out of 663.58 board feet of lumbers and 0.40 cubic meter of round timber. The apprehended lumbers were deposited at LGU Municipal compound of Sofronio Española, Palawan for safekeeping.
