MEMORANDUM

FOR : The In-Charge, Office of the CENRO

FROM : The Undersigned

SUBJECT : **REPORT ON THE TURNED-OVER RETICULATED PYTHON (*Malayopython reticulatus*) AND ITS RELEASE BACK TO WILD**

Respectfully submitting the report on the turned-over Reticulated Python (*Malayopython reticulatus*) in Barangay Tacligan, San Teodoro, Oriental Mindoro. The retrieval was conducted on January 10, 2023.

The CENRO Socorro through the undersigned retrieved one (1) Reticulated Python from the informant, Barangay Chairperson Enrico A. Arellano of Barangay Tacligan (see Figure 1). The python has been under their custody for a month.

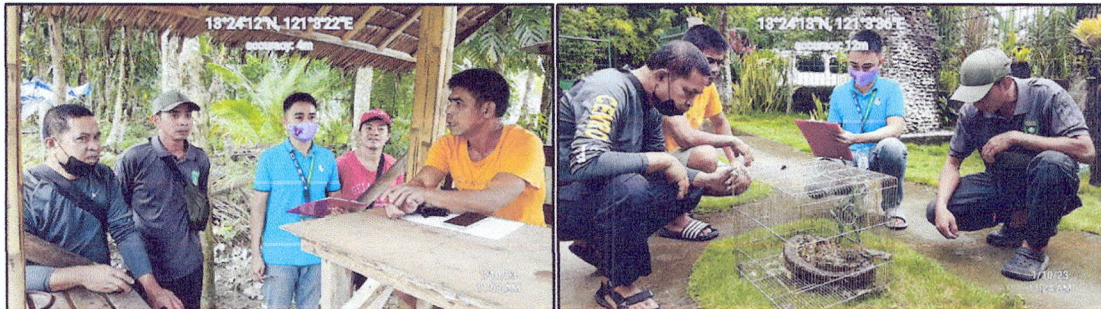

Figure 1. Coordination and interview regarding the turned-over Reticulated Python.

During the retrieval, Mrs. Lucita H. Arellano (wife of Barangay Chairperson Arellano) said that the python came from a concerned resident of their barangay. Prior to the turnover to CENRO Socorro, the species refused to eat despite the food (meat) that was given to it.

Based on careful review and examination of the Reticulated Python, it was found out that it is 8 cm in diameter approximately 9 ft in length. Likewise, no severe health problems were seen/ noted (see Figure 2).

Figure 2. Measuring (left) and retrieval (right) of Reticulated Python.

The Reticulated Python was immediately released back to the wild (specifically to the forested part of the municipality) from where it belongs (see Figure 3).
