COMPLIANCE
(RE: ORDER TO SUBMIT OFFER OF COMPROMISE)

PROTESTANT, unto this Honorable Office, respectfully states manifest that, in compliance to the Order of this Honorable Office dated November 3, 2022, he is offering to the protestee for the early resolution of the case the following proposals:

1. That the property subject of the case be divided equally between the parties;
2. If the portion of the property that would be allocated to the protestant in the division has already a structure, instead of dismantling the structure, the protestant may opt to pay the protestee on installment the reasonable cost for the construction of the structure.
3. In the event that the parties would agree on the division, protestant will withdraw the protest before the DENR and will no longer interpose any object to the protestee's application for building permit, electrical permit and water connection permit, if there is any.

Respectfully submitted.
